

BGS Corporate Connections

Event sponsor  **BRIGHTON TOYOTA**
ABOVE & BEYOND

The right to be inspired and the responsibility to inspire others.

Current Parent, **Gordon Lefevre**, CEO Reach Foundation, hasn't always worked in the non-profit sector – in fact, prior to joining Reach just 12 months ago, he was the Deputy Group Chief Financial Officer at NAB. Gordon will explore what motivated this change, what the sectors can learn from each other

and particularly his views on the importance of role models in life and business.

Gordon will talk about Reach itself – a highly regarded organisation that for 14 years has been helping young people, regardless of their background, find that 'one lucky break' so often needed to achieve a dream.

This will be an inspiring breakfast you will not to miss. Reach for the phone and book your place now.

Friday 22 May 7.00 for 7.30am until 9.00am

**The Point, Aquatic Drive,
Albert Park Lake.**

Ample meter parking available.

You are invited to attend BGS Corporate Connections, a business breakfast program for Old Boys, Current and Past Parents of Brighton Grammar School.

What is it?

Now running in its fourth year, the quarterly breakfasts serve several purposes. Primarily, they are a forum for BGS to connect with its corporate community, and for members of that community to connect with each other. Each breakfast features one or more high profile guest speakers. It is also an opportunity to recognise and celebrate the contribution those connected with BGS are making in shaping the business landscape of Australia.

Who's next?

Friday 21 August, 2009.

Old Boy and Current Parent, **David Hansen**, Managing Director of SuperSprint Events, will share with us his company's meteoric rise to being the leaders in the promotion, presentation and organisation of triathlon and sporting events.
