## **MUSIC SCHOLARSHIP**

**For boys entering Years 5 - 9 in 2011**

**All applicants applying for a Music Scholarship must also sit a Academic Scholarship**

Music Scholarships are offered for boys entering *Year 5* (minimum AMEB Grade 3 standard) to *Year 9* (minimum AMEB Grade 7 standard) in 2010. The availability and value of these scholarships will be at the discretion of the Headmaster and will be dependent on the quality of applicants. All orchestral instruments, piano and organ are eligible.

Scholarships will be awarded on the basis of:

- an audition conducted by the Director of Music and specialist instrumental staff
- music and school reports
- an interview with the Head of Junior or Middle School

Scholarships covering partial fees will be offered. The scholarship will be tenable until the boy has completed his secondary education, subject to a satisfactory continuing performance and participation in the School's extra curricular sporting program. All music scholarship holders are required to participate in all relevant instrumental ensembles and choirs.

The scholarship does not cover the cost of uniform, books and stationery.

School music tuition fees for one 30 minute lesson per week on one instrument will be covered, provided this is taught by a member of the School's Music Staff. Scholarships will cover the hire of one instrument, which could be a second study instrument if the candidate already has his own main study instrument.

Music auditions -

- will last for approximately 20 minutes.
- The candidate will need to perform two or three contrasting pieces depending on length. If the candidate plays more than one instrument, then two pieces should be performed on the major instrument and the third on the minor instrument.
- Sight reading will be expected and some aural tests may be given.
- Each candidate will be required to sit for an appropriate academic ability test. Years 5, 6 and 7 candidates may be required to sit for a taped music aptitude test.
- Applications should be accompanied by a reference from his music teacher, a copy of the most recent school reports, and information regarding all relevant musical attainments.
