Staffing Details
Our aim is to provide families and children with highest quality educational and care programs. All our staff are suitably qualified and participate in professional development opportunities throughout the year. Staff training each year may include some of the following:

- Asthma management
- CPR (yearly) and First Aid (3 yearly)
- Anaphylaxis management (3 yearly), Epi Pen (yearly)
- Program planning
- Communication with families
- Inclusive practice
- Supporting children with additional needs
- Behaviour and guidance strategies

All Staff have a National Police Check & a Working with Children Check (Department of Justice).
