Each student taking private music lessons will receive a Music Record Book. Your son will be given a lesson sheet from this Music Record Book every lesson that contains information regarding the lesson, assigned weekly work and the date and time of the next lesson. The student should record his weekly practice, and parents are asked to view and sign the practice recorded. Teacher and parents can communicate via the Music Record Book if desired.

As students become more proficient, they are required to participate in appropriate school ensembles as advised by the music staff. Rehearsals for the ensembles are currently:
