

**BRIGHTON GRAMMAR SCHOOL  
2017 SCHOOL BUS SERVICES – FIRBANK GRAMMAR SCHOOL**

Brighton Grammar School currently provides three bus services for the use of its students. The current routes are Beaumaris to BGS and Port Melbourne to BGS.

To assist families with siblings at Firbank Grammar School, we will be extending the offer of a limited bus service on these routes to include passengers from Firbank Grammar School.

As the current service is somewhat subsidized for our students, and to compensate for the additional administration, this service will be offered to Firbank Grammar School students on the following terms:

- One off payment of \$1,100 payable in full in advance
- Travel for full time return trips during semester 1 only (Terms 1 and 2) 2017
- No casual rates or travel will be available

Please refer to the attached link to display the routes and bus stops. Alternative pick-up points near these routes may be organised in consultation with Ventura Bus Services by phoning 9771 4345.
