

## THURSDAY 19 MARCH

### EMR SWIMMING CHAMPIONSHIPS

Well done to the BGS boys who competed at the EMR Swimming Championships last Friday. Congratulations to Leo Reeve who recorded PB's in both his Freestyle and Backstroke events. Further congratulations to our 11 Year Boys 4 x 50m Freestyle Relay team of Justin Mei, William Tan, Mitchell Carney, Luke Kollmorgen and reserve Freddie Inglis who won a silver medal. This is the second year in a row that this team has won a silver medal at this level.

### APS SPORT REPORTS – WEDNESDAY 11 MARCH

#### Year 6 Swimming

Today the Year 6 team went to Geelong Grammar - Toorak. The Year 5's are on camp so it was a small team of only 6 Year 6 boys attending. We were competing against St Kevin's, Melbourne Grammar and Geelong Grammar. We quickly got into the swimming events starting with Butterfly, Freestyle, Backstroke and finishing off with Breaststroke. All the Year 6 boys competed in these events, some getting PB's along the way. We were lucky enough to fit in a medley relay today and with 6 boys we were able to field 2 teams, with 2 boys competing twice. It was a really enjoyable afternoon and a well-run swim carnival.

### 6B Cricket

The ball makes first contact with the bat, the game has begun. The BGS boys faced Haileybury - Newlands in a one-day cricket game. The BGS boys smashed, hacked and ran, to get a total score of 26 runs (twice as much as what we got in our first game). While defending our precious total we had a smile on our faces. Luke took a nice catch, Leo J got three wickets in an over, Leo R almost taking the catch of the season as wicketkeeper and Harry L continuing the pressure right to the end by bowling two people out in the last two balls of the game. Even though we lost, we still kept trying all the way and showed excellent sportsmanship. Thinking about what we can improve, and keeping our heads high, the 6B's are going to do what they do best - work as a team, and hopefully win next week.

### 6A Cricket

On Wednesday 11 March BGS played our best game for the season against Haileybury - Castlefield. We all batted and bowled really well. Will Saadie got one wicket; Ben got 2; I got 1 and I also broke the stump in half with a delivery; Miller got one; Joe got one and James Paltoglou got 1. We all batted really well with a top score by Will Naughton with 15 runs. One of Haileybury's batsman hit the ball to the moon but luckily we had Oscar sitting under the ball for 20 minutes waiting for it to come down and eventually he caught it. Well done guys on a great win.
