APS SPORT REPORTS – WEDNESDAY 28 APRIL

5 Blue Volleyball

Today the 5 Blue Volleyball team played their first game against Haileybury. Volleyball is a team sport where you have 6 players on each side of the court. It is similar to Tennis, but you cannot let the ball touch the ground. Instead of a racquet, you use your hands to pass a ball across the net. The ball isn't like a tennis ball it is the same size as a soccer ball. It was an exciting day. We were behind but we pushed on and after a long game of Volleyball, we sadly fell short by only one point. But, as it was the first game of the season I am hopeful we can train hard and can win next time. We had lots of fun.

5 Yellow Volleyball

On Wednesday 28th April, the Year 5 yellow Volleyball team played against Xavier College. It was our first game and all the boys were super excited. We demonstrated good teamwork and played several excellent sets. One of the humorous highlights was when the Volleyball inadvertently went into the basketball hoop! Although we lost 2 sets to 1, everyone played well and had a great time. Next time, we could improve on our communication with teammates and positioning

5 Red Volleyball

On Wednesday the 5 Red Volleyball team played Scotch College. This was the first time that both teams had played so it was really fun to try out this new sport. Volleyball showed us a lot about team work as well as the technique of how to catch and hit it over the net. We played 3 sets and we won all of them - 25 to 13, 25 to 14 and 25 to 20. Both teams played really well and we learned a lot and I hope we can play Scotch again. Thank you to Mr Garland for coaching us and being the referee of our game.

5 Green Volleyball

Our first APS Volleyball match for the season was played in the BGS gym against Haileybury. Haileybury was a very challenging opponent in skill and focus, our team put up a good fight passing and spiking at different periods in the match. BGS eventually won the contest, 3 games to 1. Our team was focused and showed good passion. Thank you to our coach and my team mates. We all look forward to our match next week.

6B Volleyball

This week, 6B Volleyball played against Wesley College at their Glen Waverley Campus. Both sides were well-matched and ended up drawing 2 all. Both teams played well with great sportsmanship. There were some great volleys back and forth with some close calls to either just making it, or just missing it! Teams communicated well with each other and encouraged their teammates. Overall, all played well and it was a great start to the APS term.

Year 5/6 Lawn Bowls

Today the Brighton Grammar Lawn Bowls team played an internal game at the Hampton Bowls Club. The team had an opportunity to practise the skills and warm up drills that we had learned last week. We were also lucky to learn many new things from our wise and helpful coaches. It was a beautiful afternoon with perfect conditions for lawn bowls. With only a few clouds to be seen the play was fast on the green and all the boys improved their skills from last week. Congratulations Luke Shen who was noted as the most improved player today.

Year 5/6 Cross Country

It was a beautiful day for the Brighton Grammar cross country team to travel to Scotch to run against the other schools for our first Term 2 races. For a lot of boys, it was their first time competing against other schools in the sport. There were more than a few nerves throughout the team. The first race was the 11 Year old's. The start didn't go too well, as the boys were funnelled back, but we finished strong and passed many of the boys from the other schools. Our highest place getters in that race were Arki in 6th and Ethan in 11th. The 12 Year old's started stronger, which helped us finish with two top 10 placings in: Max 3rd and Felix 9th. We are all committed to working hard and trying our best to improve throughout the season. Well done to all the Year 5 and 6 runners!
