

TUESDAY 18 MAY

APS SPORT REPORTS – WEDNESDAY 12 MAY

5A Football

In the first quarter, Melbourne Grammar kicked 4 goals and 2 behinds. Halfway through the second quarter we kicked our first goal of the game and Melbourne Grammar had added two more goals to their score. In the second half we dominated but unfortunately couldn't execute in front of goal as well as we would have liked. We did still kick 3 goals for the half. Melbourne Grammar were a very strong team and a bit too good for us on the day.

By Jordan Lewski

5 Blue Volleyball

On Wednesday 12 May, 5 Blue Volleyball played Haileybury at BGS. Despite losing 3 sets to 0, we put up a good fight against strong opposition. The team have made good progress with setting and spiking and staying in their allocated zones. We were smooth with our rotations and all made good attempts at the overarm serves. Hopefully we can gain a victory in next week's match.

By Leon Thomas

5 Yellow Volleyball

On Wednesday 12 May, the BGS 5B Yellow Volleyball team played at Melbourne Grammar. We had a great match against MGS's Year 5 White team. We had some surprising digs and we are definitely improving our skills. Even though we won we still need to work on our serves, catches and communication. We thank Melbourne Grammar for letting us have a wonderful time playing them.

5 Green Volleyball

We all had lots of fun at APS Volleyball today, we played a Haileybury – Berwick team and they put up a good game. It was all very close especially the last game which was 23-25. Both teams showed good sportsmanship and both teams got better as we played. The green team is already looking forward to next week because it was so fun.

6A Volleyball

6A Volleyball played Haileybury – Newlands at BGS on Wednesday. The things that really impressed me during the game were the many amazing serves, digs, sets and spikes that we were able to execute and equally as impressive was the great sportsmanship on show. Oscar's spikes and serves were difficult to return, you could tell that from the opponents hard work to get to the ball. Cooper's digs were great for pushing the opposite team back deep on the court and his enthusiasm and teamwork was excellent. Owen's his sets were high when setting up a point for our team, and often low when setting it over the net which proved very effective during the game. Marco's high serves and calm attitude helped us win one of the 6 sets. Isaiah communicated very well during our matches and did a very good job directing players to the correct spot on the court, he showed great leadership. Some of my best contributions were my serves that were deep, high and proved useful to the team. Overall, I think our team showed great sportsmanship, communication and hard work. We worked very well as a team.

6B Volleyball

The 6B Volleyball Team performed well this Wednesday; though we took a solemn defeat, spirits were still lively, and we held our heads high. The teamwork this week was astonishing, and the team's communication was great. Overall, I would argue this week a success for the 6B team even though we were not the victors.

Year 5/6 Cross Country

Cross Country this week was at Caulfield Park. We had eleven runners in the 11-Year-Old Race. Arki recorded another great result finishing third. We also had many PB's, with George, John, Max G, Max R and Henry all finishing higher than they ever have before. With half of the Year 6 boys on camp, we only had three runners in the 12-Year-Old race. Well done to Felix, Luca and Toby, who represented our school wonderfully.
