APS SPORT REPORTS – WEDNESDAY 27 JULY

5A Soccer

The 5A Soccer team had a very closely contested game against Melbourne Grammar. A commentator might have said, “The game is 2-2 and there’s 3 minutes to go. Seb throws it to Miles, who turns and fakes an opponent. He whips it into Jaiden who finishes it off – surely BGS have won it now!” We ended up winning 3-2 and it was a great victory for the boys.

5B Basketball

Today we played our first round of APS Basketball. We won our first game against Caulfield Grammar, thanks to a strong second half. However, we lost our second game against a strong Haileybury team. We did manage to slow their scoring in the second half. Overall we had a good introduction to our APS basketball experience.

5D Basketball

Today, the mighty 5D Basketball team went to GESAC and played our first round-robin games for the season against two Haileybury teams. In the first game we scored 2 points against Haileybury’s 24. Whilst we didn’t win, we all learnt many lessons including, defending with hands-up and playing player-on-player. In the second game, we won!! We put our learning to work and scored 12 points to Haileybury’s 8. Charlie and Everett did very well scoring all the points and were well supported by such terrific teamwork from the whole team. Now we have a 50% win average. Go team!

Year 5 Hockey

The Year 5 Hockey match was quite challenging against St Kevin’s. They led 2-1 at half time and after Will Kilburn scored the first goal, it looked like things were in St Kevin’s favour. After an amazing goal from Angus halfway through the second half, we were tied 2-2. Then with St Kevin’s attacking the goal, Sam Sabin our goalkeeper made it go right back out towards their side. We played defensively for the final half and managed to get the ball extremely close to the goal and to keep it up there for the final minutes, ending in a tie. Everybody played amazingly and it was a really exciting match!
