## SPORTS REPORT – RD 4. WED 20 AUGUST

### Year 5 Soccer

The Year 5s enjoyed both their games against Melbourne Grammar under blue skies. The 5A team made their way out to Port Melbourne and played a much-improved game. A special mention to Christian Trubiano who had a standout match manning the right wing and making some amazing runs down the line! The 5B team played at Grimwade house and did an amazing job with many team changes. Neither team came away with a win but both teams must be commended on the way they adjusted and supported each other. Well done boys!

### 5/6A Hockey

Today, BGS 5/6A team played Xavier at Bourke Hall. Playing on the field, it was quite hot in the sun. In the first half, we played with 11 a side. XC started off powerfully and scored goal. No goals were scored after that but we seemed to have more of the play - especially in the second half when we played 8 a side (as it was a small field). We tackled well, got some good fast breaks and our defence was good. Both teams showed great sportsmanship so overall, it was a good game.

### 6B Soccer

The game started off slowly until we worked out how to play around them on the small pitch. After a near goal for them, we started to take control of the match, scoring two goals in the first half. Our backline stood strong when repeated attacks came from the MGS strikers, with the two Fu's both having sensational games. The three Jacks scored four goals between them and Lawson scored the fifth to end the match 5-0. Overall, we played a good game that was in the right spirits, giving us a boost into next week's game.

### **5B Blue Basketball**

The 5B Blue basketball team played a round robin against Melbourne Grammar and Scotch College at Melbourne Grammar. Both games were tightly contested, with very little separating the teams. Our players showed strong effort throughout, with some excellent plays and key interceptions. Moving forward, we will continue to focus on improving our decision-making and communication on the court.
