2024 EMR ATHLETICS

Congratulations to our boys who competed at the Eastern Metropolitan Region Athletics Championships last Thursday. It was fantastic to see a high number of BGS students from the APS Division compete at the EMR meet, displaying the BGS way. I am very proud of all boys and their performances. Some PB's were recorded and as sometimes happens in competition, some results weren't quite what boys had hoped for.

Special mention to Zane Mtenje who won the Boys 11 YO 200m and Jack Bull who came second in the 11 YO High Jump. The 9/10, 11 & 12/13 YO Relay Teams all ran superb races to come 1st, 2nd and 2nd respectively. Both Zane, Jack and the relay teams now progress to the Primary State Athletics Championships at Lakeside Stadium on Wednesday 6 November. We wish the boys the best of luck!

APS SPORT REPORT – Wednesday 23 October

5B Blue Touch Football

Today, the 5B Blue Touch Football team travelled to Caulfield Grammar Wheelers Hill. It was nice weather, not too hot, not too cold. It was our second game so we were looking to improve on taking the touch. We played really well as a team. We had great ball handling and barely dropped the ball all game. Our fast breaks opened up a lot of space. We ended up scoring 15 tries to their one. It was impressive whole team effort. Great job boys!

By Jackson Rutten

5B Badminton

Week 3's APS game with the 5B Badminton team at Wesley College (St Kilda Road) was very enjoyable. Out of the whopping 56 games played, BGS won 43 and lost only 13. Everybody did a great job utilizing the skills we have learnt in training. Special mention to Krish for expertly varying his shots depending on the position of his opponents on the court. We can't wait until next week!

6B Red Touch Football

Today, Wednesday, 23rd October, our 6B Red Touch played Haileybury College (Castlefield) at our home ground on the Crowther Oval. The weather was almost ideal with the sun out and a cool breeze. We won 7-2. We passed pretty well and kept running for the whole game. We found that we scored more when we did assists compared to playing individually. However, we did make some great individual tries from our back line when there were big gaps in Haileybury's defence.
