## APS SPORT REPORTS

### Year 5 Water Polo

Last week BGS played against Scotch College at the BGS pool. After a good start we were able to maintain the lead with sound defensive play, strong offence and good team work. BGS scored 7 goals to Scotch 3. The goals scorers were: Hamish F. (3), Trent V. (2), Arty W. (1) Harry B. (1). The team is showing good improvement each week with everyone contributing.

By Tom Fischer

### Year 6 Water Polo

This week for APS sport the BGS Year 6 Water Polo Team played Melbourne Grammar School. We started off strong by taking a promising lead with 4-0 in the first quarter. Zac and Nikki both scored 2 great goals. In the second quarter Zac was back at it again scoring the only goal in the quarter. Luca did an outstanding job at coordinating defence and attack. At half time the scores were 5-0 to BGS, though our opposition did show great sportsmanship by not giving up. Josh made an unexpected appearance in the third quarter by scoring a gracious goal. Marnix saved 3 goals in the third quarter. The fourth quarter was tense as the ball moved around from one end of the pool to another. Neither BGS nor MGS let in any goals that quarter. At the end of the 5 minute quarter we were told that we were going to play a fifth. Some boys looked relieved whilst others looked tired. Everybody had brought their A-game for the final quarter which made everything more interesting. Fortunately for MGS they managed to get their first goal in. Though this was quickly vanquished after Tom J got the ball and scored. As the game ended and we hopped out of the pool, Mr Fensling was pleased with the results and the performance of the boys. Final score: 7-1 to BGS

Great effort boys.
