These fees are subject to change.

The Confirmation of Admission form must be signed by each parent or guardian. Each signatory to the Confirmation of Admission is joint and severally liable for all fees and charges payable to the School at any time. Billings will not be split on a several basis.

Tuition fees and charges

Tuition fees and other charges are fixed by the School Council and may be changed from time to time at its sole discretion.

A consolidated fee is charged and payable at each invoice date to cover compulsory year-level activities.

Refer to the fee schedule on the School website: www.brightongrammar.vic.edu.au.

The published due dates in the fee schedule are the only payment options offered by the School. Normal payment terms are 14 days from the date of the billing, as noted on the invoice.

Fees are not transferable, refundable or able to be deferred to a future year level.

Fees for local students are for four complete terms per year and are invoiced one term in advance. Fees for international students are for two complete semesters per year and are invoiced at the start of each semester. No discounts or concessions will be granted for any intentional or planned absences during the year. This includes, but is not limited to, holidays that extend beyond the gazetted school holidays and public holidays, external activities that involve extended absences from the School and student exchange programs.

Enrolments outside of the normal offer period will be subject to payment within two business days, as noted on the invoice. Failure to make payment within this

timeframe may result in the place being offered to another student.

A 3% discount on tuition fees is available where the annual fees (Terms 1-4) are paid as a lump sum in advance, within the Term 1 payment terms.

In case of fee default the School reserves the right to engage mercantile agents or legal services, and claim associated costs of recovery.

These Regulations must also be read in conjunction with the International Students Refund Policy, International Students Handbook and Written Agreement.

Continued enrolment

Subject to this Business Notice and General Regulations, once enrolled, students remain enrolled in the School from year to year.

The parents or guardians are responsible for the on-going currency and accuracy of student and family information held by the School, including medical details and emergency contact information.

The parents or guardians may update family and student information via the School's portal or, if unavailable, in writing as and when the information changes.

Late fees and overdue accounts

Fees not paid by the due date specified on the invoice will incur a late fee of 15%pa of the amount outstanding calculated monthly. The School is not responsible for any delays in receiving payment (including banking, portal failures, postal delays or lost mail).

In addition, non-payment of fees and charges may result in the withdrawal of any scholarships or concessions until all outstanding amounts are paid in full. The scholarship benefit or concessions may be reinstated at the discretion of the Headmaster from the date payment is received.

Non-payment of fees and charges may also result in a student's tuition being suspended or academic records being withheld until payment is made in full at the discretion of the Headmaster. Prolonged non-payment of fees in line within the agreed due dates may result in the student being removed from the School.

Family discounts

The sibling discount applies in order of the age of the children currently attending BGS as follows:

BGS 2 nd child	10% of tuition fees
BGS 3 rd child	25% of tuition fees
BGS 4 th child	50% of tuition fees
Firbank Grammar	5% of tuition fees, upon receipt and acceptance of a written application.

Any sibling discount granted is not retrospective and only applies so long as all fees are paid by the due dates or in accordance with an agreed payment schedule. Failure to pay fees by the due date on more than one occasion will result in permanent removal of the sibling discount.

These discounts are not available to parents or guardians who receive other financial benefits from the School (e.g. scholarship recipients), and for the concession to be applied all students must be billed under the same account.

Scholarships

For information on scholarships, refer to the Admissions Coordinator on +61 3 8591 2202 or email admissions@brightongrammar.vic.edu.au.

Extra-curricular activities

The School reserves the right not to allow a student to participate in optional excursions and activities.

Withdrawal of a student

Parents or guardians are required to give the Headmaster or Head of School one term's notice in writing prior to the permanent withdrawal of a student. If the required notice is not received, a fee equivalent to one term's tuition fees is payable. If a student is withdrawn from the School, all outstanding fees and charges become immediately due and payable. There will be no reduction or remission of fees.

If a student is participating in the laptop leasing program, any unpaid future instalments will be immediately due and payable upon withdrawal.

For example: if notice is received from the parents or guardians after the first day of Term 4 to terminate an enrolment, the parents or guardians will be liable to pay Term 1 fees the following year.

Removal of a student

A student may be removed from the School at the discretion of the Headmaster as a result of:

- unacceptable academic performance
- disciplinary reasons

- failure to meet Commonwealth Government requirements or visa requirements applicable to overseas students
- failure by the student, parent or guardian to adhere to School policies and procedures or rules and regulations, including failure to pay fees in line within the agreed due dates.

If a student is removed in any of the circumstances described above, a pro-rata refund of tuition fees, less one term's fees due to lack of notice, will be applied.

Student discipline

The Headmaster or his delegates may suspend or expel any student whom the Headmaster believes is guilty of breaking the general regulations, School rules, policies or any standing instructions, procedures or any law.

Corporal punishment is not permitted at the School.

Authority and indemnity

In the event of a student suffering any injury or sickness, the School is authorised to take such action as it deems fit to obtain medical and/or hospital care and attention.

Parents or guardians will indemnify the School against all costs, claims, actions and demands made against the School, its servants and agents incidental to that care and attention.

There are occasions during the course of a student's enrolment at the School where they will participate in activities onsite, or be required to leave the School campus. The parents or guardians enrolling a student in the School consent to such activities (including but not limited to the use of playgrounds and swimming pools) and travel arrangements.

Insurance

The School carries 24-hour student personal accident insurance for all registered students.

For further information, contact the School at bgsaccounts@brightongrammar.vic.edu.au.

The cover excludes any refund gaps for costs covered by Medicare.

Curriculum

The Headmaster decides on the curriculum throughout the School and the subjects offered at each year level. There is no warranty that subjects offered in one year

will be available in another year. The School may cease offering any subject at its sole discretion.

Privacy

Refer to the Privacy Policy on the School website: www.brightongrammar.vic.edu.au.
