2022 FUNDRAISER

KEYBOARD LAB

An exciting new space utilising the latest music education technology!

We are thrilled to announce this new initiative to be installed in Rostrevor. As part of a new music curriculum commencing in 2022, the Year 7 and 8 boys will have access to a state of the art facility that will ensure practical, hands on learning in a connected and integrated environment.

Please help us bring this dream to a reality!
