Our Oak in the Quad was planted 90 years ago. It has stood strong and tall during difficult times, and has grown up and outwards.

It represents how our boys grow and increase their knowledge and experience in their schooling life and how, in 2021, they have learned resilience to overcome obstacles that have come their way.

#### ACKNOWLEDGEMENT TO COUNTRY

We would like to acknowledge the Country that Brighton Grammar School is on and pay respect to the traditional custodians of this land.

The Boonwurung and Wurundjeri people of the Kulin Nations, who have a deep and continuing connection to the Country all around us. We also pay respect to all Aboriginal and Torres Strait Island Peoples across Australia and recognise their sovereignty and deep connections.

As we look forward we also look back to honour and acknowledge Elders past who showed the way of thriving in this land through a complex system of society, government and gathering.

We honour and acknowledge Elders present who have walked through hard times with strength and who continue to seek and deliver the wisdom of the ages.

We've saved 3,163kg of carbon dioxide by printing this book using environmentally friendly methods.

### **MARCH**

Our First XVIII rowers win the APS Head of the River, bringing the Fairbairn Cup to BGS for only the second time in the School's history.

### **APRIL**

Talented music students Declan, Alex and Hugo perform the Last Post at school and community ANZAC services.

### MAY

Our BGS boys and FGS girls bring *Mamma Mia!* to life in the senior production, much to the delight of sold out audiences.

### **JUNE**

Once again, our boys show their resilience and positivity as they pivot to distance learning.

### **FEBRUARY**

Junior and Secondary boys enjoy a special preview of Tiwi culture on show at a special Tiwi pop up exhibition at the Urwin Centre.

### **JANUARY**

Energised from summiting Mt Bogong at Big Fella camp, our Year 12 students work together as a group to plan for the year ahead.

### GLIMPSES OF 2021

### **JULY**

Our senior footballers take the time to coach the ELC boys on the finer points of football and sportsmanship.

### **AUGUST**

The Crowther viewers world-wide

### **OCTOBER**

We welcome our VCE students back on-site again as they sit the GAT and begin exam preparation.

### **NOVEMBER**

Year 9 students extend their outdoor education and leadership skills on the 9-day Great South West Journey.

### **DECEMBER**

The efforts and achievements of our Junior and Secondary students during 2021 are recognised at Speech Night.

Centre hosts a powerful webinar to over 1,000 on the School's new educational model of Positive Masculinity.

The BGS community delivers again for the Ute Full of Food program, in support of St Mark's in Fitzroy.

# THE HEADMASTER

# OUR COMMUNITY HAS BEEN TESTED THIS YEAR BUT, JUST LIKE OUR OAK TREE PLANTED 90 YEARS AGO, OUR SCHOOL HAS STOOD FIRM IN THE FACE OF THE MANY OBSTACLES THAT HAVE COME OUR WAY.

This year, we have been given the opportunity to learn many lessons about ourselves and others as we have called on all our resources to sustain us through challenging times. Our focus has been on maintaining our culture of high-performance teaching and learning and keeping our students, families and staff connected.

At the end of 2020, I was pleased to announce the best VCE results ever achieved at the School. The BGS Dux for 2020 achieved the top ATAR score of 99.95, one of only 38 students in Victoria to achieve this. A total of 71 boys, almost half of our cohort, achieved an ATAR of 90 or above, placing them in the top 10% of students in Australia.

We started the year full of confidence for an uninterrupted school year and we were buoyed in March when our First VIII rowing crew won the Head of the River, for only the second time in the School's history. Unfortunately, four lockdowns over four terms called for a diverse approach. We worked collectively as a group to adapt to the ongoing challenges to support the boys educationally and pastorally, on and off-site.

Once again, the solid foundations of our Effective Learner Model, and the dedication of our teaching staff, helped to promote a seamless transition to Distance Learning. Our staff demonstrated perseverance, resilience, imagination and agility to deliver high quality programs and provide the best possible learning opportunities for our students.

The wellbeing of our students and staff, and the support of their families, remained our top priority. Brighton Grammar has been at the forefront of student wellbeing within the education sector and this year we successfully introduced our work on positive masculinity to the wider community.

For the second successive year, our student wellbeing program was independently recognised, with BGS named as a finalist in the 2021 Australian Education Awards.

We also expanded our dialogue with parents through the Crowther Centre's online parent engagement program which provided educational and wellbeing webinars, and a range of resources to help parents support their boys.

Brighton Grammar was also named as one of The Educator's 5-Star Innovative Schools for 2021. This list highlights Australian institutions that have made an exceptional contribution to the education sector over the past 12 months and we were recognised for our innovative Design Thinking curriculum framework and STEM activities incorporating our focus on entrepreneurship.

Our students may have been off-site, but work continued on-site, with improvements to existing facilities in the Urwin Centre and the CDT classrooms, upgrade of the Red Square area at the Junior School, construction of the New Street fence and the B-Hive Centre, situated in the Rosstrevor Precinct which will be dedicated to design thinking and entrepreneurial studies. We also expect construction of the new Centre for Science, Creativity and Entrepreneurship at the St Andrew's end of the Secondary School to begin within 12 months which is an exciting development.

As 2021 ends, I offer my thanks and congratulations to all who helped us get through 2021 – our Chairman, School Council, Senior Executive, Old Boys, BGS community, the JPG, BGSPG and parent support groups. To our students, I thank you for your efforts and engagement and I wish the Class of 2021 all the best as they begin a new chapter of their lives but hopefully will always stay connected to Brighton Grammar.

It seems fitting at this time to recognise the 90th anniversary of the Oak which is a symbol of stability and strength, grounded in the Quad, and is the result of years of slow patient growth from a sapling to a sturdy tree. Similarly, we nurture our boys from childhood through to adulthood.

We have all grown from the experiences of 2021 and we look forward to all that 2022 brings.

Ross Featherston Headmaster

# HEAD OF SECONDARY SCHOOL

### ACTING AS DEPUTY HEADMASTER FOR SEMESTER 1 THIS YEAR WAS A HUGE PRIVILEGE, AND ONE FOR WHICH I AM IMMENSELY GRATEFUL.

My thanks to our community for the manner in which you have embraced and supported each other through our difficult times this year. We all want to be the best version of ourselves, and there is no greater test than adversity. To all our boys, this year you have shown me what resilience (with humor) looks like, and it is bold and vibrant.

The Year 12s told us at Big Fella, we are all Tonners, and there is no more beautiful thing then standing in the Quad and witnessing our boys' love for the School and each other.

The image of our School flag at half-mast in May will be forever etched in our memories and hearts. Losing James Tsindos was a heartbreaking moment for us all, and one we all shared. James, we will always remember you as the Tonner you will always be.

Then the kaleidoscope of highlights keeps turning and there are so many moments of joy. Winning the Head of the River and witnessing the boys running into Lake Nagambie in a moment of shared disbelief and wonder is something I will never forget.

Nor our celebration of Pride Week with our assembly with Melbourne Grammar Prefects, and guest speaker Tim Campbell, followed by our annual APS AFL football clash vs MGS on the Crowther. Nor our contemplation of Reconciliation Week with our guest Janet Galpin, a Boon Wurrung Traditional Owner,

who later shared with me that she had never been invited or welcomed by a school before us, a reason for us to be joyful and proud.

Having the privilege of being part of a community means we all have a part to play, and the standards we set ourselves are what unite us. We have our four school values: respect, integrity, accountability and passion. To be a Tonner is to be all of these.

Meg Adem

Acting Deputy Headmaster, Head of Secondary School (Semester 1)

# HAVE SOMETHING TO LOOK FORWARD TO.

As I shared this mantra with the Secondary School students in my first assembly address. I had hope that we would be spending the remainder of the year together, as one.

Lockdown 6.0 did its best to challenge this mantra, as we returned to Distance Learning and relied on technology to connect us and lived with the uncertainty of what lay ahead. Despite the challenges, the BGS community showed that we really are 'as one'.

Teachers continued to find new ways to engage our boys through Distance Learning, ensuring that each boy woke up with purpose. I enjoyed the many scientific experiments that my Year 10 class participated in whilst at home, from baking in the kitchen to dropping balls off balconies, we found ways to engage with the curriculum. As I 'dropped in' to Zoom classes all over the School, I witnessed extraordinary teaching and learning on every screen.

The BGS community amazed me as we all continued to find new and innovative approaches to care and be kind to one another. Finding ways to laugh and connect as the boys strove for House Strava points, or preparing thoughtful and generous care packs to rejuvenate and sustain students through the lockdown.

maintain hope. Despite the challenges, we held onto our goals of coming together as one and celebrating this community. As we came out of lockdown, we ensured our Year 12s were celebrated and farewelled through Valedictory Days. Our Year 11s continued to grow as leaders as they embraced the Year 6 coaching.

The Year 10 boys were able to experience their First Horizon program and Year 9 students ventured on their Great South West Journey. The Urwin Centre for Learning returned to life as our Year 7 and 8 boys brought their energy and enthusiasm and celebrated a successful iDesign exhibition.

Thank you to the BGS community for rallying to make 2021 the success that it was, it has been a great privilege to join you in celebrating this extraordinary school.

Simon Angus

Deputy Headmaster, Head of Secondary School

### HEAD OF JUNIOR SCHOOL

# A SHARED COMMITMENT TO THE BGS WAY BY ALL IN THE JUNIOR SCHOOL COMMUNITY HAS BEEN KEY TO ALL THAT HAS BEEN LEARNED AND ACHIEVED IN 2021.

The year began on a positive note with all boys on-site, enjoying the refurbished Red Square and the new facilities in the recently developed GB Robertson Hall.

During the periods of lockdown that followed, we focused on academic learning coupled with a strong pastoral program to encourage engagement, resilience and a sense of belonging. We have been resolute in staying true to our core values of respect, accountability, integrity and passion.

There were many highlights from the year. We were fortunate that we could offer students our co-curricular program on-site for six months so the boys experienced Outdoor Education journeys, House competitions (Swimming, Cross Country and Chantology) and our Year 6/Year 11 mentoring program. Our Prep to Year 3 boys were all fortunate to enjoy their Outdoor Education experiences late in Term 4.

The Chantology competition showed the benefit of being a one campus school by strengthening the link with our Secondary School students as they led the younger boys through the House war cries. Our adjudicator was the School's first chantologist, Christian Carnovale (OB 2015) who emphasised the importance of a positive school culture. The boys also developed a greater appreciation for school life as they returned on-site, to be with their mates once again and share learning experiences with their teachers.

Our Mother's Day celebration, with over 1000 boys, mothers and parents at a Chapel service and in the classroom, was a special moment. It reinforced the strength of the BGS community and the strong parent engagement we enjoy and reflected the boys' gratitude for the support they receive from their parents. This celebration was an opportunity for our Year 6 JPG representatives, in their final year of office, to be acknowledged for their work over the years by the boys.

The Junior School Poetry Competition, with all Prep-Year 6 students reciting their poetry online, was another high point and was indicative of the commitment and flexibility of teachers to implement learning in a different way effectively.

The last 12 months have been challenging. Our Junior School has a proud tradition of equipping our boys with the necessary skills as they travel on their educational journey.

We also want to ensure that our boys understand what a good man looks like and that the attributes of kindness, gratitude and love for family and friends are valued.

My thanks to our teachers for their innovation and adaptability to deliver first rate teaching and learning and to our parents for their contributions of time, enthusiasm and commitment to their sons' learning while off-site.

The efforts of our ELC staff, led by Director Amelia Barrow, should be noted as they continued to provide a rich, engaging experience for our youngest students throughout the pandemic, based on what we know works best for boys.

I am proud of the way our boys have shown great resilience and staying power during the year. Our Year 6 students led from afar with enthusiasm and perseverance and they are well prepared and ready to embrace the Secondary School experience.

In the face of adversity comes the opportunity to grow and develop and find new ways of working and learning and draw on our reserves and support each other. All in the Junior School can look back on the year with pride knowing we have done well.

Peter Tellefson

**Deputy Headmaster, Head of Junior School** 

# HEAD OF CROWTHER

# 'ACTIONS, NOT WORDS'. IT WAS WITH THIS MANTRA THAT THE SECONDARY STUDENT LEADERS APPROACHED 2021 THROUGH THE LEGACY PROJECT.

With this theme, there was an opportunity to step back into a culture that both supports and challenges our boys here at School. As 2021 unfolded, the mantra took on new significance – as the boys wrote in the 2018 creed - *from the Crowther to the Oak, Meliora Sequamur.* We were again invited to find better ways of being.

As the year continued, we realised we were once again stepping back in, and out, of Distance Learning. The familiarity of the rhythm of the school year was to be disrupted once more. Moments of togetherness were to be savoured. We stepped back into Distance Learning, webinars, and research into what it is to be a healthy male in this age.

Through Understanding Boys, we hosted podcasts and a webinar that attracted connections across the world back to our School and our mission of raising healthy boys. Our academic programs, with a focus on writing, saw excellent results in a range of measures. Despite the interruptions to learning, we recorded excellent NAPLAN results, with our Year 5s and Year 7s working on average two years ahead of the state average, and our Year 9 boys gaining close double the Victorian average in writing.

The research arm of Crowther continued to partner with Orygen and produce peer-reviewed publications, most notably work on Operationalising Positive Masculinity. Staff have been most active in writing across a range of publications from the Australian Council of Educational Leadership to coaching journals. The Crowther Consultancy has also continued to grow in its work and support of schools and school systems in performance improvement, as well as offering coaching masterclasses.

Under the leadership of Dr Mark Dowley, our professional learning program was recognised as the first school internationally to receive Gold standard through the Carnegie Centre at Leeds Beckett University.

We were a finalist in the Australian Men's Health Forum awards for our program in Positive Masculinity, and our Professional Learning program for staff and Student Wellbeing program earned us Awards of Excellence at the 2021 Australian Education Awards.

At the heart of all things, Crowther remains the lynch pin for our three-cornered partnership. I thank all parents too for their engagement, feedback and support of the work of our teaching, learning, wellbeing, research and partnership programs.

Roffm

Dr Ray Swann
Deputy Headmaster, Head of Crowther Centre (ELC-VCE)

### CHIEF OPERATING OFFICER

# THIS YEAR WE CELEBRATED SIGNIFICANT PROGRESS WITH OUR AMBITIOUS BUILDING PROJECTS AND THE DELIVERY OF A NEW CO-CURRICULAR INITIATIVE.

In May 2021, after a long delay, our appeal to challenge a ruling made by Heritage Victoria on the new Centre for Science, Creativity and Entrepreneurship was overturned by Heritage Victoria Council and a permit to construct was issued, the final stage in an elongated town planning process.

We have worked extremely hard to design a unique building and ensure this collaboration with St Andrew's Parish and the St Andrew's Tennis Club is beneficial for all stakeholders.

The new Centre is shaping to be the biggest building initiative in the School's history and will see a new multi-discipline setting with creativity, entrepreneurism, sciences and design technology deliver the environment that challenges design thinking, problem solving and 21st century skills for our boys.

Supporting Brighton Grammar's investment in creativity, the Crosby Building will be transformed into the BHIVE, a co-working space and home for innovation, venture and entrepreneurship for our younger secondary students.

In this new space due for construction early 2022, students can also develop financial literacy, essential food preparation, collaboration, and networking skills in a purpose-built environment.

The new School fence in New Street provides a wonderful frame for the Crowther Oval, allowing spectators to enjoy watching sport from all parts of the oval.

The new fence mirrors the Outer Crescent fence which was completed in 2020 and incorporates players' boxes and a designated area for coaching. *BGS+* is a new initiative that brings together a range of innovative extra-curricular programs for children to develop their skills and interests, take on new challenges and follow their passions whatever they may be.

Activities and programs are run by our school staff and guided by our teaching practices, pastoral care structures and held on-site at convenient times to suit parents' busy schedules.

Launched late 2020, the *BGS+* Swim School has been a popular addition for learn to swim until COVID-related closures impacted. *BGS+* Swim is also registered as an external swimming club and our first all year-round swim squads began training mid-2021.

We are fortunate to have highly credentialled swimming coaches and we look forward to building on its early successes.

Activities for our Junior School boys were also initiated with *BGS+* Invicta, *BGS+* Tennis, *BGS+* Sailing and *BGS+* Annandale Gym, with morning gym sessions made available to our wider community.

In an exciting development, an extensive *BGS+* Soccer program was launched in 2021, catering for boys from ELC 3 to Year 12 and boasting Football Victoria endorsement. Our *BGS+* Little Stars, *BGS+* Skills Acquisition, *BGS+* Soccer Academy and *BGS+* Futsal programs have proven successful, delivered by our expert coaching team and led by renowned Junior Soccer coach Kogulan Sabratnam. 2022 will be a big year for these programs.

Resource alignment was challenged for a second year with lockdowns, new compliances and several quick shifts requiring resource allocation decisions to be made.

BGS was pleased to offer families a rebate on tuition fees in Term 3, launch a new parent app for communications and fully comply with the expectations of operating in a COVID safe manner.

The School is positioned to invest in the new Centre for Science, Creativity and Entrepreneurship which will be the largest capital project in our 139year history and will be a wonderful addition for the boys.

The Professional Support Staff must be acknowledged and thanked for another year of outstanding work and achievement.

Adopting the mantra of getting on with things, the PSS worked in difficult circumstances and did not miss a beat. We are very lucky to have a talented, hardworking, and selfless team who ensure the back-end support is as strong as it can be to enable our teaching staff to be at their best.

ll

Michael Arceri Chief Operating Officer

# THE SCHOOL CAPTAIN

### 2021 WAS A YEAR TO REMEMBER.

We began with the successful summer sport season where our rowers won the Head of the River, becoming only the second BGS crew ever to do so, and our sailors completed their three-peat of State Championships, winning once again.

Even more memorable was the incredible production of *Mamma Mia* which produced sold-out crowds every night and amazing performances from our BGS and Firbank students. Who could forget the performance of our Year 8 Chinese boys who bravely performed a cultural dance to the whole school during assembly?

Although Distance Learning was difficult, the teachers and boys were still able to find some joy through the House Strava competition and various competitions hosted by the Outdoor Ed department that kept many engaged and interested.

The efforts of our teachers throughout this year was immense as they worked to make classes engaging and enjoyable, with many having special dress-ups and themes to lift the spirits of the boys.

This year, as a leadership group we opted against a motto for a Legacy project, but instead worked with a more action-focused attitude where we wanted to show the rest of the school what our BGS culture was about.

We strived to make the schoolyard and classroom an enjoyable place for all students by targetting our Year 9-12 tutor groups where boys can form relationships with older and younger students so that they have another friend to see in the corridors.

The first of our efforts came on the first day of school where we reinstated previous traditions created by past leaders and welcomed the new Year 7s as they walked under the clocktower for the first time, as well as the beloved presentation ceremony of the chantologists' blazers.

However, many of our plans were halted by Government regulations and many lockdowns.

Unfortunately, these setbacks meant that it was very hard to bounce back from a disrupted 2020 and enjoy the full BGS experience of chantology, musical performances and classes together with our mates.

Whilst incredibly challenging for all staff and students, it allowed us as a school community, and particularly as a Year 12 cohort, to seriously appreciate how important and amazing our school is.

The time and memories that were taken away from us only made the time we spent at school more special, and it is the reason why many of us leaving this year were quite sad as we knew that many of the things that we get to do at school, we will never be able to do again.

Whilst the schoolwork can be tiring, it is the memories and mateship that will stick with us. The message from me and from the 2021 cohort is that we encourage all boys to cherish every moment of your schooling lives.

Be kind and respectful to everyone and enjoy the years you spend at school because, before you know it, the sun will set on your time at BGS and all you will be able to do is reminisce on the good times of school.

Sam Flockart School Captain

# JUNIOR SCHOOL CAPTAIN

THE ROLE OF JUNIOR SCHOOL CAPTAIN HAS ALWAYS BEEN ONE THAT I HAVE ASPIRED TO, AND I WAS OVERJOYED WHEN I WAS ANNOUNCED CAPTAIN FOR 2021. IT HAS BEEN AN EXPERIENCE I WILL NEVER FORGET.

After Distance Learning and lockdowns in 2020, we were all hoping 2021 would be a better year. It started well with everyone returning to school, ready to start the year.

Distance Learning had made us appreciate on-site learning and we were making the most of it. Then, when we were plunged into another lockdown, we knew what to do and how to take part in school online, but we also knew from previous experience that it was likely to last longer than we had hoped.

Thank you to Mr Tellefson, Mr Bryan and all the teachers and staff of the Junior School for helping and looking out for the boys during these challenging times.

You worked tirelessly to make the transition seamless, to keep us motivated and ensure we had as much fun as possible during difficult times. Thank you to our parents for the support they provided at home.

After two unprecedented years, my advice for the 2022 Year 6 boys is to make the most of every moment. Make every day count, engage with the younger boys and get involved in as many school activities as possible.

The Year 6 teachers will support you in everything that you do and will always be there to help. Be a great leader and make a legacy of your own.

I cannot wait to see you in the Secondary School soon. Thank you to Will Tan for your support as Vice Captain. Thank you to all the Year 6 boys for making this an unforgettable year.

Ethan Davis Junior School Captain

"Make every day count, engage with the younger boys and get involved in as many school activities as possible"

# THIS YEAR, THE YEAR 6 BOYS CLIMBED TO NEW HEIGHTS IN THE MUSICAL, JACK AND THE BEANSTALK.

The boys met the challenge of rehearsing on Zoom and filming in a spectacular way.

It was amazing to see the boys bring their love of singing, dancing and acting to the small screen in a video.

All credit goes to Jared Furtado, our Director of Music and Head of Choral, for his persistence and incredible direction in making this year's production come together.

Special thanks to the Year 6 teachers, Claire Clarke and the team of Year 6 parents who made our amazing props and costumes.

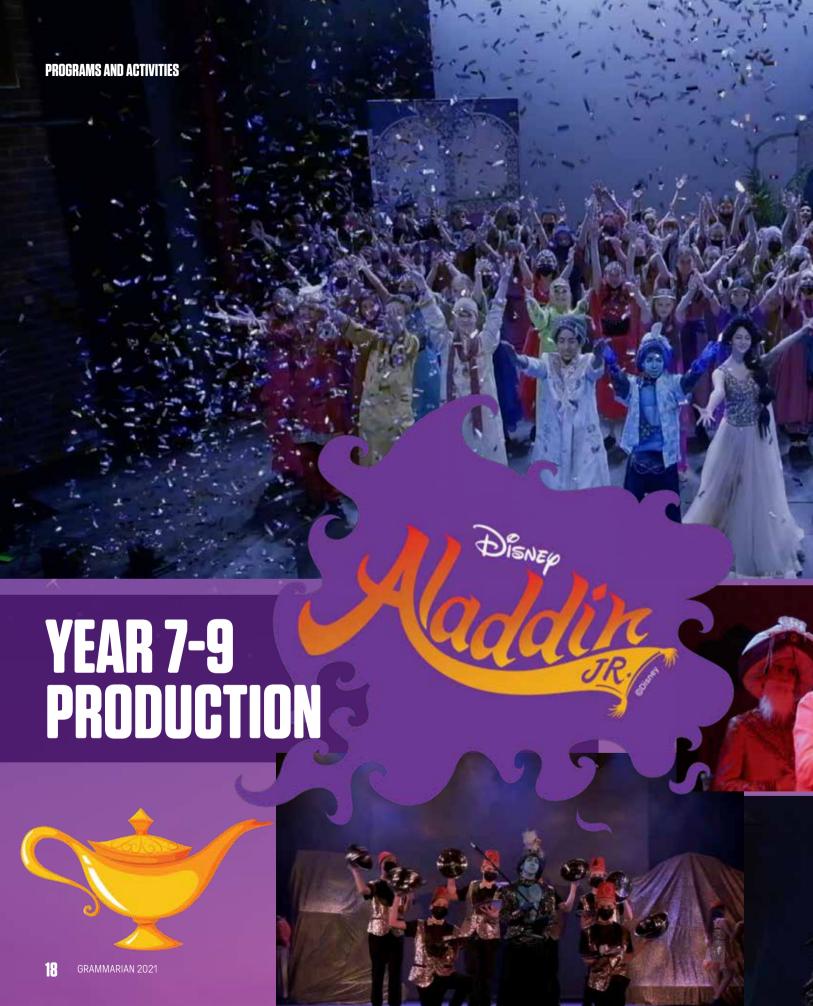

The Year 6 Musical is such a highlight for the boys in their last year of the Junior School, and this year was no different.

The persistence Jack shows to climb the beanstalk, and make the most out of life's opportunities, is a fitting message for this year. Our Year 6 boys kept on climbing, no matter the obstacles and what an amazing job they did! Bravo!

Hayley Blakiston Head of Junior School Music

# BEING A PART OF ALADDIN JR. WAS A FANTASTIC EXPERIENCE FOR ME AND ALL OF THE CAST AND CREW INVOLVED.

It was so great getting to work with students from other year levels at Brighton Grammar as well as with students from Firbank Grammar. Despite being presented with many challenges including lockdowns and tough COVID restrictions, the cast and crew worked around the clock to get the show to its peak performance.

Even though we didn't have the opportunity to perform the show live, we were able to create a filmed version of the performance, allowing us to bring the production to a wider audience. Becoming the character of Aladdin was fascinating because he leads a very different life to the life I have.

The leadership and enthusiasm from Mr Michael Kent, Ms Kristie Vidotto, Ms Sarah Gunn and Ms Christine Heald made the rehearsal experience even more enjoyable, particularly if you like pizza!

Jared Thomas Year 8

# MAMMA MIA?

# 2021 WAS A YEAR OF UPS AND DOWNS FOR THE BRIGHTON GRAMMAR PERFORMING ARTS PROGRAM.

Luckily, the combined Brighton Grammar and Firbank Grammar Year 10-12 Production of *Mamma Mia!* was able to go ahead with the show being a huge hit and selling out four full house performances in May.

Whether it was a cast member or part of the back-stage crew, everyone thoroughly enjoyed the process

and will never forget the awesome experience and memories shared. I really loved playing the character of Sam and having the opportunity to sing some amazing songs each night with the audience providing excellent backing vocals.

Although the year had some interruptions, the Drama program managed to persevere with performance evenings and the weekly session of Improv Club continuing throughout the year and online on a Wednesday afternoon led by the Drama staff.

All the boys that attended each week really benefited from this as it was a chance to have some fun as well as learn improvisation skills that will help them in Drama and the real world.

Cameron Hathway Captain of Drama (Year 12)

# OUTDOOR EDUCATION AT BGS EXISTS TO PROVIDE UNIQUE EXPERIENCES FOR OUR BOYS THAT ENCOMPASS TEACHING, LEARNING AND WELLBEING IN NATURAL ENVIRONMENTS.

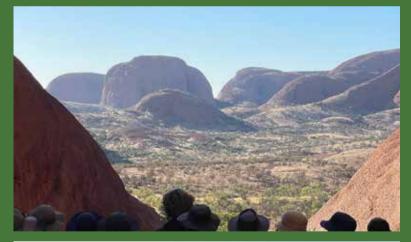

This is for the purpose of developing healthy, passionate, responsible young men who are confident individuals, successful learners and effective contributors.

Educating outdoors, when done well, supplements and enhances classroom learning, physical and mental health, and allows boys opportunities to discover safe personal risk thresholds and lifelong social and environmental perspectives.

We live this through a robust outdoor curriculum sequence spanning from Prep through to Year 11, where we Journey through Landscapes with cameo appearances at the ELC and Year 12 bookends.

A well-structured learning sequence of experiential experiences that utilises educational journeys through natural environments, often with adventurous activities as mediums for those journeys, will have lasting positive influence on the lives of our boys, even for the least 'outdoorsy' boy.

Despite disruptions, the Outdoor Education sequence was able to successfully run for all but two year levels. During lockdowns, OE staff revamped our standard operating procedures and field practice protocols and secured gear and equipment to see us successfully deliver better in-house Outdoor Education experiences into the future.

All Junior School Outdoor Education programs took place for Prep to Year 3 students, with only minor adjustments required. Highlights included indigenous experiences for our Year 4 and Year 6 boys, sleeping out in tents and cooking on camp stoves from Year 5 onwards, and learning about the habitats of Victoria's endangered species and mini-beasts in our lower junior day trips.

Year 7 boys experienced amazing weather and surf conditions on the Mornington Peninsula, as we challenged the boys with their community engagement while continuing to introduce and train new skills in menu creation and food choices.

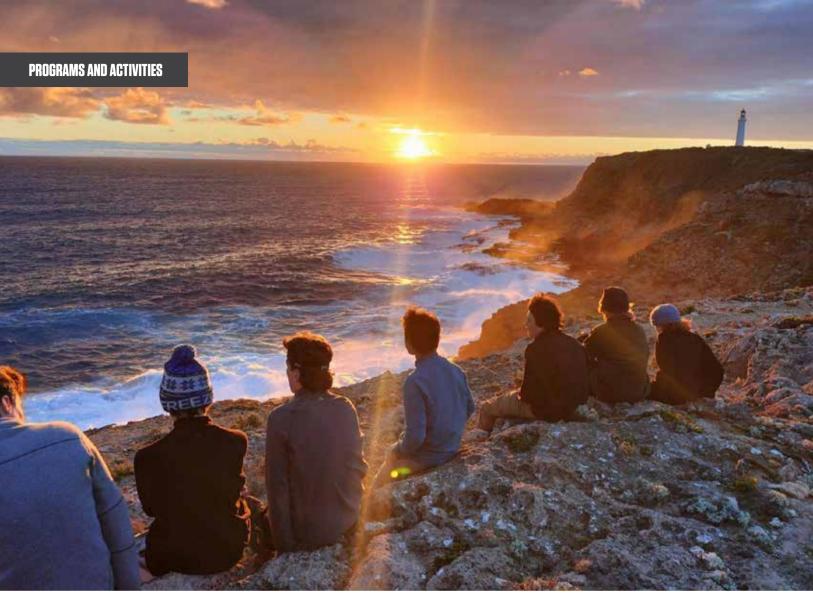

We were so close to sending our Year 10 students on their chosen World Class Journey in August. The lucky few who had already started their trips on the Snowy River or Larapinta Trail before lockdown came back with envious stories and lifelong memories.

Our Year 9 boys were fortunate to experience both their Outdoor Education programs (Choose Your Challenge in March, and the Great Southwest Journey in November).

The Outdoor Education Leaders Program, a student leader training program for selected Year 11s, again ran successfully both on-site and during Distance Learning, although the young men involved probably learned more than they wanted to about how to run Zoom games with their mentor classrooms.

This leadership program is the capstone of the Outdoor Education sequence and is designed to equip these young men with the skills to become leaders at Brighton Grammar and also to provide them with the experience and tools to benefit them as young adults and young professionals in life beyond school.

David Gemmell Head of Outdoor Education

# GREAT SOUTHWEST JOURNEY

# THE GREAT SOUTHWEST JOURNEY (GSWJ) IS NINE DAY JOURNEY OVER THREE CONNECTED YET UNIQUE LANDSCAPES, UTILISING THREE MODES OF TRANSPORT IN THE SOUTHWEST CORNER OF VICTORIA.

Going into its seventh year in 2022, the GSWJ has become part of the fabric for our School with knowledge and tips being passed down from older boys to the Year 9s, and younger brothers wanting to have the same adventurous experiences as their older brothers.

**GRAMMARIAN 2021** 

This journey changes who our boys are; for some, they know they've changed when they return and, for others, it may take them a few years to grasp t he impact that the GSWJ has had on them.

What is important, is that these boys have started a greater journey of self-discovery and should feel proud of what they have accomplished.

My thanks to the wider BGS staff who journeyed with the boys in the field, or supported their preparations during tutor time in the lead up.

I am proud of the Outdoor Education department staff of Carly West, Rob Ogilvie and Bianca Bell, who spent many extra hours planning and preparing, shifting and pivoting with changing COVID-19 requirements, and upholding the School's excellent reputation with local landowners and outdoor companies.

#### The journey aims to:

- be a journey of self-discovery (physical, intellectual, emotional/accomplishment and selfreflection)
- forge greater camaraderie between fellow Tonners (working with each other and for each other / tolerance and conflict resolution)
- solidify and extend a boy's personal outdoor skills (tarping out, navigation, self-cater menu planning)

This year, more than any other, I was witness to powerful examples of each one from our boys. I congratulate all Year 9 boys for embracing fully their 2021 Great Southwest Journey experience.

David Gemmell Head of Outdoor Education

### **FIRST HORIZON**

THE FIRST HORIZON PROGRAM IN 2021 MARKED
THE TRANSITION OF OUR YEAR 10 BOYS INTO
EMERGING YOUNG MEN. IT WAS A CELEBRATION
FOR OUR COMMUNITY THAT HONOURED THE BOYS'
ACHIEVEMENTS AND ENCOURAGED THEM TO CREATE
THEIR OWN UNIQUE VISION FOR THEIR FUTURE.

Through dialogic-sharing circles, storytelling and other activities, we connected to the idea of emerging adulthood and created a space for the boys to learn from the stories of their elders.

This year's four-day program in December began under the Oak tree in the Secondary School Quad with a departure ceremony, and boys and their mentors then headed to Sokil Retreat in the hinterland behind Airey's Inlet.

A key element of the program was a night experience. This night marked the moment when the boys become emerging men. The night activity is a fun, theatrical and immersive experience. The program then culminated in a festival style celebration with the opportunity for our emerging men to commit to their vision for the future.

We then returned to the Oak tree in the Secondary School Quad for the final commitments and families welcomed our new young men back into the BGS community.

This year's program gave our boys the chance to build a vision of who they wanted to become as we witnessed them emerge as young men. My thanks to the boys and their families for their involvement and support and for sharing this amazing experience with the BGS community.

James Hilditch
Cultural Development and Indigenous
Connections Coordinator

# MUSIC HAS CONTINUED TO BE ONE OF THE MOST INTEGRAL CO-CURRICULAR AREAS IN OUR SCHOOL.

The success of the Music programs can be attributed to the commitment of the boys, staff and parents – led by the extraordinary support of our Friends of Music. Together, the dedication of all has contributed to such widespread success throughout the year.

Co-curricular Music is made up of the choirs and ensembles the boys attend, alongside their instrumental lessons. The importance of practising challenging sections in pieces in lessons has ensured that the ensembles and choirs have thrived in the rehearsal studio and performances.

Over 2021, more than 500 junior and secondary students have been enrolled in lessons with the instrumental staff who have strived to get the best out of the boys in on-site and online lessons.

The transition to online Music lessons once again proved just how powerful music can be. For many, music has acted as a reprieve and escape for many to focus their attention on something that brings everyone such joy.

This year, boys were able to rehearse and perform on-site in concerts, such as the Induction services, the Mother's Day service, the Wind,

Brass and Percussion Concert, the Orchestral, Guitar and Choral Concert, Past Mother's Lunch and House Choral.

Friends of Music also sponsored an event to welcome the community into the new GB Robertson Building and unveil the new grand piano in the hall downstairs. Our Junior School boys also participated in incursions from Brass Bedlam, Kaboom Percussion and Zabrowarny Strings.

There have also been a number of solo performance opportunities for the boys, including lunchtime solo concerts. Students from Years 9 to 12 studying Music Performance attended Top Class at the Melbourne Recital Centre, and also participated in Recital Evenings where they performed in front of their peers and parents.

The combination of all these opportunities for the boys once again brought about a positive atmosphere within the Music departments across the School and collectively contributed to another year of success for Brighton Grammar Music.

Declan Hayes Music Captain

Eric Sima Music Vice-Captain

# IT'S BEEN A BIG YEAR FOR COMMUNITY SERVICE FOR BGS, WITH STUDENTS SPENDING AN OVERALL TIME OF 650 HOURS ON SERVICE INITIATIVES THAT RAISED OVER \$46.000.

At the start of the year we had the Eat Up program (with over 2100 sandwiches made by our students for children going hungry at school,) the launch of the BGS clothing donation bin, Clean Up Australia Day, Ute Full of Food, the Refugees Ration Challenge (which raised over \$3,000) and the Youth in Philanthropy program (which raised \$10,000 for three different charities.)

The second half of the year saw participation in Go Grey in May and Connor's Run, the Student2Student reading program, the Winter Appeal (which raised \$2,500) Music-A-Thon (which raised \$3,000) and St Vinnie's CEO Winter Sleepout, with our Headmaster Mr Featherston leading

by example and doing his part by participating in the sleepout (which resulted in donations totalling over \$12,000).

Students and staff deserve to be commended for their contributions to service this year; whether it was giving up an hour of time after school on a Monday to help make sandwiches for the Eat Up program, sleeping outside to support the Winter Sleepout, or putting in the effort to bring in nonperishable food items for Ute Full of Food.

Whatever your contribution this year, no matter how big or small it may have been, it was able to go towards a cause bigger than any of us and played its own part in helping those in need. On behalf of the Service committee, thank you to everyone who did their part this year and we look forward to seeing what more is in store for the years to come.

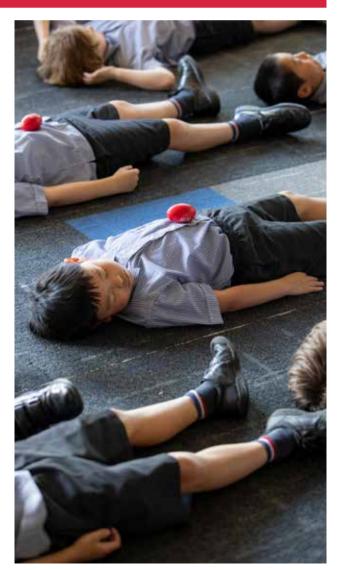

Harry Penwright (Year 9)
Community Service Committee Member

# THE ENDLESS STOP-START NATURE OF DISTANCE LEARNING IN 2021 MEANT THAT THE SCHOOL HAD TO IMPROVISE AND FIND NEW AND CREATIVE WAYS OF ENSURING OUR BOYS REMAINED ENGAGED AND CONNECTED.

With a significant focus on prioritising mental health, the Counselling team continued to provide support remotely via telehealth. Teachers were instrumental in keeping a pulse on their students' wellbeing and in identifying those in need of additional support. Boys adapted very well to counselling virtually, with some students indicating that they preferred this over in-person therapy, as they felt more comfortable in their own space, leading to more productive, honest and open conversations.

Whilst no-one can deny the hardships that the pandemic has presented for young people, it has also shown us that children and adolescents are very resilient. Despite lockdown fatigue, abrupt changes to schedules, cancellation of sport and other extracurricular activities and being physically distant from friends, the pandemic has led to some opportunities for growth.

Some of these include: finding a sense of purpose in helping others; more family time; greater self-sufficiency and better problem solving/independent thinking; new family traditions; opportunities to practice gratitude; and an increased appreciation of the importance of social connections and the value of friendships.

Olivia Tims Head of Psychological Services, Junior School Psychologist

### F1 IN SCHOOLS

### BRIGHTON GRAMMAR SCHOOL HAD ONE TEAM COMPETE AT THE NATIONAL FINALS 2020/21 AND THREE TEAMS COMPETE IN THE STATE FINALS 2021/22 OF F1 IN SCHOOLS.

Throughout the week, the boys set up their trade display and practised their verbal presentations. They then had four interviews on learning outcomes, engineering, manufacturing and branding and marketing.

Constellation posted the second fastest racing time at the 2020/21 National Finals, only .033 seconds behind the winners. Our students Jenson Galvin, James Tan, James Mitchell and Ayrton D'Alessandro performed incredibly well throughout the competition, reflecting the countless hours of work they dedicated to their campaign.

In the State Finals for 2021/22, Constellation built upon their experience, and will hopefully qualify for next year's National Finals. The highlight of their year was partnering with Red Bull Racing and having their cars shipped to Qatar where they were photographed with the Red Bull cars.

Livewire, our Development Class team with Year 7 students Carey Tong, Nate Watson, Jack Power, Callum McDougall and Archie Goodger-McGrath, also performed with distinction. They learned from their sponsors Asics and Construction Engineering how to brand and market themselves.

Our Cadet team, Houdini, with students Aidan Hearne, Patrick Quach and Jack Zhang, also produced a fantastic looking car and great poster with team branding. Thanks also must go to students Oscar Sloane, Jenson Galvin, James Tan and our F1 Leader James Mitchell for their ongoing support and mentoring.

We look forward to building upon the successes of 2021 as we continue to evolve.

Jamie Watson F1 in Schools Coordinator

# INDIGENOUS ACTIVITIES

THIS YEAR WE WERE FORTUNATE TO VISIT THE TIWI ISLANDS WITH OUR SIX TIWI BOYS IN TERM 1 AND ENJOYED THE OPPORTUNITY TO DEEPEN OUR CONNECTION TO TIWI COUNTRY AND STRENGTHEN OUR RELATIONSHIPS WITH THE COMMUNITY.

Brighton Grammar also hosted a successful Tiwi Art pop up event in the Wellbeing Centre, displaying works for sale from the Jilamara and Munupi Art Centres.

The works came all the way from the communities of Milikapiti and Pirlangimpi, where all our Tiwi boys are from. Highlights included an impressive display of Pukamani Poles, three of which have now found permanent homes, standing proudly in each area of the School.

This year was a challenging one for everyone. With the border closures making interstate travel very difficult, our seven Northern Territory boys faced some extra hurdles. Along with extended time in Distance Learning, the boys have endured two, 14-day quarantine periods at Howard Springs in the Northern Territory before they returned home for the mid-term break.

The commitment that the boys have shown to their education, returning to Melbourne in such trying circumstances, has been outstanding.

Term 4 has been a great opportunity to reconnect and reset and we welcomed our new MITS alumni boys for their transition day.

Each year we welcome a new group of students from the Melbourne Indigenous Transition School (MITS) which helps First Nations' students from remote communities adjust to life in Melbourne and supports them in the transition into Secondary School. In 2022, we will welcome another three MITS alumni students who will be joining us in Year 8.

### James Hilditch

Cultural Development and Indigenous Connections Coordinator

Nathan Lovett-Murray Indigenous Mentor

### **BGS CHESS CLUB**

### CHESS CLUB WAS HOSTED IN THE URWIN CENTRE LIBRARY AND ST ANDREW'S END ATRIUM ON FRIDAYS AT LUNCHTIME IN 2021.

After-school specialist Chess coaching was led by International Master Leonid Sandler in the St Andrew's Library on Fridays.

Chess Club provides a challenge for our boys through strategic thinking and tactics; it also builds confidence and self-esteem. During Distance Learning, Years 7-12 boys continued to meet by Zoom each week with Leonid to improve their craft. Chess was uniquely positioned to continue during lockdown, having run online competitions and play for many years now.

In Term 3, 20 boys competed across two Chess Victoria online Zonal tournaments for a place in the State Championships in September. After excellent performances in the Zonal qualifiers, five BGS students were invited to compete in the Secondary Schools State Championships.

Year 9 student Thomas Sneyd finished 8th from over 100 competing students. As a team, BGS finished in 9th position overall, but very close behind many traditionally strong Chess schools. We have them in our sights for 2022.

There is nothing like playing in person but, in another year when so much became unachievable, we were glad to have the game we love to play.

James Dann and Ruth Silva Teachers in Charge, Chess

### DEBATING AND PUBLIC SPEAKING

### AS THE HOSTS OF THE DAV INTERSCHOOLS COMPETITION, IT WAS WONDERFUL TO HAVE STUDENTS FROM A NUMBER OF SCHOOLS ON-SITE THIS YEAR COMPETING IN PERSON.

Leading the teams were our 2021 Debating and Public Speaking Captains, Eric Stone and Harry Harte.

Practising their skills in developing clear arguments based in logic and evidence, our students debated important real-world issues such as, That Victoria should abandon the Belt and Road deal with China or, That alcoholic products should be subject to plain packaging laws.

Our teams are to be congratulated on completing a successful season with many wins and best speakers to note.

Jenson Galvin (Year 10) was awarded The Swannie Award for his division in the DAV competition. The award is named after Alan Swanwick, a pioneer of debating in Victoria and is presented to the speaker in each region and grade who has the highest average speaker score after completing at least three debates during the year.

Charlie Sabin (Year 8) won Best Speaker and reached the Grand Final in the DAV competition – Junior Division.

In our Public Speaking events and competitions, Jenson Galvin was a Top 10 Speaker for the 2021 DAV Intermediate Public Speaking competition.

Year 9 student Andrew McGregor was acknowledged as a rising star in his division of the Public Speaking competition. Cameron McIntyre (Year 11) and Jenson Galvin both spoke eloquently at the annual Rotary International Club Bayspeak competition.

This year our House Debating competition was conducted online amid Victoria's lockdowns. It was great to see boys give debating a go for their House and to watch them have fun whilst enjoying the intellectual banter of a formal debate.

Congratulations to Crowther on winning all three divisions.

Kirsten Dunsby Head of Debating and Public Speaking

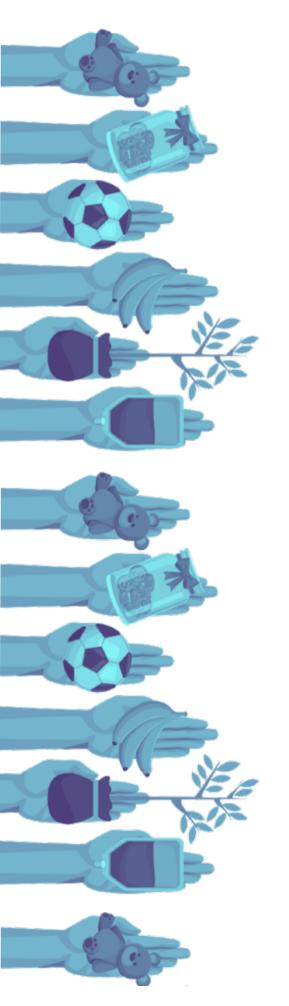

## REFLECTING ON WHAT WAS CERTAINLY ANOTHER CHALLENGING YEAR IN SO MANY WAYS, I HAVE BEEN TRULY HUMBLED BY THE GENEROSITY OF OUR COMMUNITY IN SUPPORT OF OUR SCHOOL.

Despite the challenges, 892 members of our community – parents, staff, past parents and Old Boys - chose to support our Scholarship and Building Funds. This enabled us to increase the number of means-tested scholarships we can offer and to provide our boys with outstanding facilities in which to flourish.

A highlight of the year, in a philanthropic sense, was our Giving Day held on 21 May. A total of 437 donors joined together to raise an incredible \$535,667, enabling the School to bring to life the Peter Toms Scholarship.

I am delighted to report that the inaugural recipient of this scholarship commences his journey at BGS in Year 7 at the start of the 2022 school

year; a journey that simply would not be possible for this boy without community support.

A particular thanks to our 19 matchers who allowed us to quadruple the gifts received from our community on our Giving Day.

Through the incredible generosity of our community in recent years, we now have 14 means-tested scholarships at Brighton Grammar; seven years ago we had none.

Further, the BGS scholarship fund has now grown over the same time to \$5 million, with the corpus carefully invested and income generated used to fund our means-tested scholarships.

Our philanthropy also extends to assisting others and there are many examples of this at BGS. Under the guidance of our Director of Service and BGS donor, Anna Ladas, our commitment to support other causes remains strong.

I think particularly of the Robert Connor Dawes Foundation, a cause so close to our hearts, and one that received record donations of \$2.1 million in 2021. Brighton Grammar again supported RCD with 143 BGS staff, parents and boys taking part in this year's Connor's Run. Anna also oversaw our boys' fundraising efforts for Rofe's Refugee Challenge, supporting refugees across Australia.

Next year, we mark 140 years of Brighton Grammar School. Along with many community celebrations planned for this milestone year, we will also launch our most ambitious capital fundraising campaign to date.

The campaign will support the building of our Centre for Science, Creativity and Entrepreneurship, an incredibly exciting project which our community will hear more about in the new year.

Finally, to our very generous donors, a sincere thanks for choosing to enhance lives by supporting all that we do in a philanthropic sense at our great school.

Meliora Sequamur.

John Phillips Director of Advancement

## THE OLD BRIGHTON GRAMMARIANS' SOCIETY (OBGS) WAS FOUNDED IN 1908 BY DR GEORGE HENRY CROWTHER, WITH THE AIM OF KEEPING OLD BOYS IN TOUCH WITH THEIR SCHOOL THROUGH SOCIAL FUNCTIONS AND SPORTING CLUBS.

The OBGS has expanded greatly since its inception to a network of over 12,000 Old Boys, but cultivating and maintaining connections, both within the Society and to the School, remains at its heart.

All Brighton Grammar students, regardless of tenure, are life members of the Old Brighton Grammarians' Society – a strong and valuable network that will support them for the rest of their lives.

This year has been challenging in many ways, but we carried on successfully building on the foundations laid in previous years.

The online OBGS Business Directory, an exclusive directory for Old Boy businesses that sits on our private platform, has continued to grow, with more businesses added in 2021.

These businesses are also supported by promotion through the social media campaign #buyfromtheoldboys across our Facebook, Twitter, LinkedIn and Instagram pages.

Despite lockdown and restrictions, we hosted almost all of our milestone events.

This included the Pendennis Chapter 60 Years On Reunion, the Class of 2019 reunion, plus double-header reunions for 5, 10, 20, 30, 40 and 50 years, combining the classes for both 2020 and 2021.

Other events went online, such as the AGM and our Building and Construction Industry event, which proved a great success.

The Old Boys' Letter Club, born in 2020 to connect our 'over 75' Old Boys with current students, also continued - an excellent antidote to the isolation of lockdown and great writing practice for the boys.

And our stalwart Top Enders also met four times, either online or in person

Kate Birrell Alumni and Community Manager

### LIBRARY

TO ALL WOMEN / GIRLS IN YOUR LIFE fo the UC Library

# JUNIOR SCHOOL HOUSE COMPETITION

HOUSE SPORTS ARE ALWAYS A HIGHLIGHT FOR PREP TO YEAR 6 BOYS AS HOUSES COMPETE FOR THE PEMBERTON SHIELD, NAMED AFTER RICK PEMBERTON IN RECOGNITION OF HIS OUTSTANDING CONTRIBUTION AND SERVICE TO BGS AS A STUDENT, OLD BOY (OB 1971) AND TEACHER.

There was great excitement as we were able to hold some of our planned 2021 events during Term 1 (Swimming and Tabloid Sports) and Term 2 (Cross Country). The Swimming Carnivals were staged as three events: Prep-Year 2, where our younger boys took great pride in representing their House, ably led by Year 6 House Captains; Years 3 and 4 where some of our emerging leaders shone through and Years 5 and 6, with healthy competition and great sportsmanship on display.

It is evident that, even from a young age, the Junior School boys are demonstrating the ability to have a strong sense of connection with their House groups.

The ritual of Chantology was heard in the Junior School in Term 1 in the new House Spirit Competition. House Captains, under the watchful eye of Secondary School mentors, Music staff and Old Boy Christian Carnovale, were assigned with leading their House mates through a traditional House war cry and an original war cry.

Boys across each year level joined in enthusiastically to recognise that everyone walks their path to success in the company of others.

Each boy supported each other and embraced our motto, *Tonantes ad meliora* (the ones who thunder go to better things), in celebrating their House's spirit.

House Cross Country continues to provide an opportunity for boys to test their determination and perseverance, which they did once again in 2021. Our youngest runners were supported by older boys to ensure everyone successfully made it across the finish line.

The Junior School message, that we do not expect boys to be the best, but we do always expect them to give their best, continues to echo in the boys' ears.

With the support and encouragement of staff and their peers, boys are continuing to take pride and feel a sense of achievement in representing their House and being their best.

Glenn Garland
Junior School PE Teacher, APS Sport Coordinator

SCHOOL	5	5	5	5	6	4
ROFE	6	6	4	6	5	6

### ARMSTRONG

### THIS YEAR CAME WITH MANY CHALLENGES AND, THROUGH IT ALL, ARMSTRONG HOUSE ENDURED.

We started the year by making student voice a priority and this was evident in the House Choral competition, in which we let the House members elect and then vote on the song they wanted to sing. This was a great success; the level of participation in the performance was overwhelming and the performance was simply exceptional.

The Armstrong Winter Appeal was yet another fine example of the ability for Armstrong House boys

to make meaningful change, not only within the bounds of our school but beyond as well, raising an amazing \$2500 for a homeless charity. In addition, some of the boys' support went beyond donations to sleeping outside on cardboard for a night to better understand the daily conditions of those we support annually.

Armstrong is an amazing House that has grown every year and will continue to do so. We see Armstrong's potential in its future leaders throughout BGS, and we can say with great confidence that Armstrong has many bright years ahead.

We will always treasure our time as part of the Armstrong family and we wish the best of luck to all our members in the coming years.

Dylan Goodger and Marcus Bierens Armstrong House Co-Captains 2021

### THIS YEAR, A SPECIAL CAMARADERIE WAS BUILT WITHIN THE HOUSE, WITH 2021 BEING VERY SUCCESSFUL FOR CROWTHER.

This was reflected by coming third in the House Choral competition, and winning events such as House Swimming, Chess, and House Strava, with strong efforts coming from all boys from Years 7-12.

Crowther also saw a triumphant victory in House Debating, with all three divisions (Years 7/8, Years 9/10, and Years 11/12) taking home victories for their respective year levels, positioning us in first place for the Cup.

Despite the interrupted year, coming in and out of lockdowns, all the Crowther boys banded together in all the events, so thank you to all Crowther boys for the amazing effort, especially the Year 12s who have had a very tough final year of school.

Thank you to Vice-Captains Josh Badge and Harrison

Chapman who helped and supported me to lead this House, as well as Mr Mark Sainsbery, for his ongoing support and passion for Crowther and all the boys.

Being Captain of the House that I have been a part of for nine years was an honour and an amazing experience, and I look forward to Crowther dominating the competition in the future years to come.

'Go for Gold!'

James Clark Crowther House Captain 2021

#### **HOUSE REPORTS**

### THIS YEAR WAS ANOTHER TOUGH ONE FOR ALL, BUT ONE THAT SHOWED OUR EAGERNESS AND CHARACTER THAT IS CUSTOMARY WITH BEING A DIXON BOY.

The Year 12s and the leaders established the goal of finishing in the top two for the Cock House Cup - a goal we only just fell short of, finishing third. Regardless of the disrupted year, we as a House were able to adapt and improve our House camaraderie, whilst still strongly challenging the other Houses.

Our successful year started with an outstanding performance of, *You'll Never Walk Alone*, granting us the victory in the House Choral competition and the highly sought plaque that came with it. This set the tone for our successes and aspirations early. Great work in all age levels also came in House Swimming, House Chess and the House Streetball competitions.

However, our most commendable achievement was our community service efforts for the Ute Full of Food drive, accumulating a significant improvement in donations.

All Dixon boys from Years 7-12 showed both great commitment and enthusiasm in everything they did and should be extremely proud of their contributions to this House. We never had trouble filling an event, with boys always putting their hands up to participate.

All year it was clear that we were a close group who shared the same passion. These two qualities were also present when I joined Dixon House in Year 7.

To be voted as Dixon House Captain meant the world to me, and it was a great privilege and pleasure.

Many thanks to all six Dixon Tutors as well as Mr Ben White, for his guidance and support throughout the year. I would also like to thank my Co-Vice Captains Tom Howard and Lachlan Zissis for their help.

Of course, the largest thanks must go to all the Dixon boys for such a great year, you have all displayed the values that come with this great House.

Thomas Arrigo Dixon House Captain 2021

### HANCOCK

### HANCOCK HOUSE BOYS PARTICIPATED IN ALL HOUSE EVENTS WHICH RAN THROUGHOUT THE YEAR.

Although we may have struggled one way or another through lockdown, Hancock boys managed to get through another year in high spirits, with strong engagement in our Tutor Groups each morning for a check in on everyone and for a general chat.

The year started with House Swimming, with Luke Travers and Luca Macnab scoring highly as well as a combined House effort to secure a podium finish but just shy of taking home the Swimming Cup.

In House Basketball and House Futsal, all senior Hancock students combined and competed well against the other Houses.

We persevered online with House Debating in which we watched our Year 9/10 combined team make it to the grand final in a sensational effort.

New events were introduced, such as House Strava, which recorded each run performed by our boys and added a point per kilometre. A special shout out to Dion Kombi who carried Hancock in this competition, running for at least an hour each day.

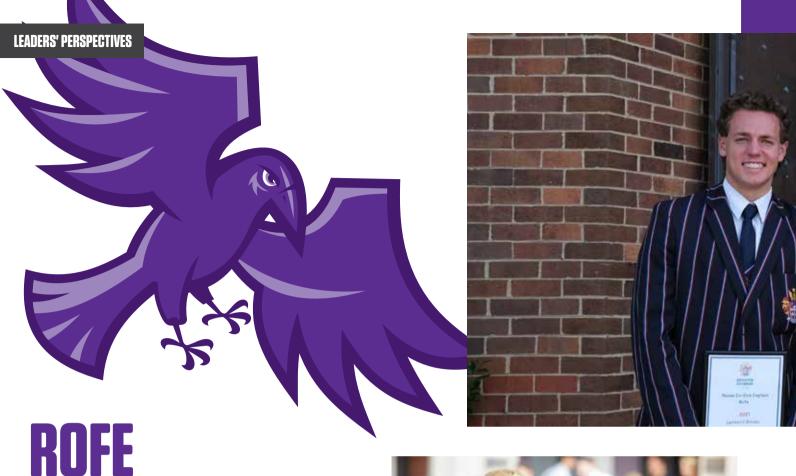

Hancock has been well represented in 2021, with a Hancock boy competing in every event including House Portrait and House Chess. Thanks to all boys for supporting each other, having a positive morale and making an inspiring impact on our House.

Sam Stewart Hancock House Captain 2021

### THE BOYS IN ROFE CONTINUED TO SHOW GREAT PASSION AND RESILIENCE, EVEN WHEN FACED WITH THE TOUGHEST OF TIMES THIS YEAR.

Led by Mr Dennis Rodwell, the Rofe boys were able to get off to an excellent start to the year, coming first in Beat the Buzzer and just getting pipped to come second in House Swimming. This trend of podium finishes continued throughout 2021, with Rofe coming top two in House Choral, Debating and the Chess competitions.

A personal favourite moment wearing the purple bib this year was the Year 11-12 Street Ball team taking out the competition. Losing a few early games, the boys were able to regain composure and defy all odds, knocking over Dixon House in a nail-biting grand final finish, leaving the Dixon team in a state of discombobulation.

A big thank you to all the House Tutors, Vice-Captains Lachie Brooks and Mack McGrath, and Head of House Mr Rodwell for their amazing efforts this year. Rofe House would be nothing without all the hard work they do behind the scenes.

Leading the purple army this year has been an awesome experience. I am extremely proud to have called myself a Rofer throughout my years at the School and hopefully the great culture and tight knit group of this House can continue to thrive and dominate in the future.

Cam Hathway Rofe House Captain

### **SCHOOL**

## OVER THE PAST NINE MONTHS, THE BOYS OF SCHOOL HOUSE HAVE BEEN INVOLVED IN NUMEROUS EVENTS, RANGING FROM HOUSE COMPETITIONS TO SUPPORTING NATIONWIDE CHARITIES.

School competed in Swimming, Basketball, Chess, Trivia and Debating. We had some great individual results in Swimming which led to our House finishing third overall in this event.

School House boys all thoroughly enjoyed playing inter-house Soccer on a Tuesday morning. This event brought many students closer together, whilst creating some friendly competition within each of the tutor groups.

Each year, School House is involved with the Robert Connor Dawes Foundation. Although the annual fundraiser was held differently in 2021, we raised awareness of brain cancer in other ways such as a Go Grey in May day, with all boys in the Secondary and Junior School wearing grey to support the cause. Many boys occupied various stands and stalls, selling RCD foundation attire and gifts, and School House also supported other activities in May.

This year has been filled with many difficulties. Throughout this, School House has bound together to support each other and make the most of the times we shared at school. I would like to thank all the boys for their support as well as Head of House Mr David Liddle and the House Tutors.

Ben Sullivan School House Captain 2021

### **ROWING**

### AFTER 38 YEARS, IN 2021 BRIGHTON GRAMMAR SCHOOL SECURED ITS SECOND HEAD OF THE RIVER TITLE.

This is a title that has eluded many of our crews that went to the Barwon River and Lake Nagambie with a real chance of success throughout those intervening years. This is a win for all of them. We are proud to have the Fairbairn Cup in our hands once again.

After a year like no other in history, and without a Head of the River race in 2020, this year has been one of celebration. After a return to competition, we built on the legacy from the crew that never got to race last year.

The School has a great sense of pride and spirit built on its history but also on what it is currently achieving in so many areas. This win has added enormously to that spirit and a culture of high performance. With a plan, with dedication and with effort, great things can be achieved, beyond what many think is possible.

If this win reinforces anything, it is that rewards come to those who work tirelessly and often with sacrifice to achieve.

It is an incredible lesson to the younger boys in our school who may look to this crew as giants or immortals but scratch a little deeper and it is far more about dedication and work.

For the first time in our history, Brighton Grammar crews made every A-Final in the Junior Quads and, as a Boat Club, rowed in a total of 13 A-Finals achieving three Gold, one Silver and three Bronze medals.

Achieving seven medals from 13 A-Finals from 15 BGS crews is outstanding. Well done to all our teams for a great season.

What we have built over these past years is a rowing culture that is the envy of many schools. We should cherish it and also work hard to make sure it continues.

Richard Bartlett Director of Rowing

### A CAPTAIN'S VIEW

Our coach Mr Oliver Dutton taught us this year that trust is something that is earned. Through the hours on the ergos, hours in the gym and in the boat we earned that belief and trust.

The bonds that are formed through this sport will last for our lives, as they have for all the boys who have come before us. Just as they will for the boys who come after us.

Being a Tonner is more than just sitting in the boat. It is more than just wearing the bucket hat. It is the work that has been put in to getting those things. The obsession we collectively all have. The power we collectively all have. The fearlessness we collectively all have.

To leave a significant legacy this year means so much to me and so much to those who have come before me. I hope those who come after me are able to even have the slightest taste of this feeling that I have right now. I love these boys. They are my brothers.

Sam Wyss Captain of Boats and Stroke of the First VIII

### SAILING

### THE 2020/2021 SEASON WAS IMMENSELY SUCCESSFUL FOR BGS SAILING.

With no competitive racing held during Term 4 2020, any opportunity to sail during Term 1 2021 was taken with vigour. The unavoidable intermittency of the times, compounded with our success at the 2018 and 2019 State Championships, underpinned our sailors' and coaches' approach and application.

Donning new uniforms, BGS's representation and performance at the weekend regattas were strong across all divisions. It was also particularly pleasing to witness the development of the boat-handling skills and of effective teamwork within Division 2 and Division 3.

In perhaps what was the supreme climax in our short history, our Division 1 and Division 2 Sailing teams excelled at this year's State Championships, as both were crowned Victorian School Team Sailing Champions.

After three days navigating a vast array of weather and wind conditions, both divisions required a decisive fifth race to determine the respective results, in which our BGS fleets showed composure and fortitude to record sensational victories over Peninsula Grammar.

For Division 2 this was a long-awaited first title, whilst for Division 1 this victory ensured an unprecedented three-peat.

Not only do we sincerely thank all of our coaches (Ethan, James, Tom, Laura and Lachie) for their dedication, but also give special acknowledgement to our departing Captain of Sailing, Harrison Chapman, who led us so commendably and who has been a great advocate for the sport.

Robert Hayward Teacher in Charge, Sailing

61

### **TENNIS**

### THE 2020/2021 SEASON FOR BGS TENNIS WAS FULL OF HARD-HITTING AND COMMENDABLE SPORTSMANSHIP.

Tennis continues to be the number one participation summer sport at Brighton Grammar and in 2021 enjoyed record numbers with an amazing 26 teams from Years 7-12.

Our First VIII Tennis squad comprised of its youngest team yet and, as such, faced an uphill battle in comparison to other schools. However, with obvious excitement amongst the squad, it has set the foundation for a high successful next chapter of BGS Tennis.

With a new era of skill on the horizon, the boys collectively established a set of values and and expectations to follow in 2021 and also for the wider tennis playing community.

A special thanks to Richard Fromberg, who had his first year coaching the First VIII. His dedication and genuine care for the team has not gone unnoticed, and contributed to improvement in everyone's playing.

We also would like to thank Connor Hipwell (Assistant Coach) and our wonderful BGS Staff and Old Boy coaches who proved to be the backbone of the program.

David Canta and Hugh Moir Co-Captains of Tennis

### **CRICKET**

### IT WAS REFRESHING AND EXHILARATING TO HAVE 13 BGS TEAMS TAKE THE FIELD IN TERM 1 THIS YEAR.

The open Cricket teams, under the leadership of First XI Coach, Luke Stewart, experienced more success than in previous seasons. Josh Badge's Second XI only lost two matches, and the Third XI was undefeated.

The First XI finished seventh in the APS competition, with three wins, four losses and a draw, yet were much more competitive than these numbers suggest.

For the First XI, the opportunity to play T20 matches on Fridays on the Crowther was well received, and was an exciting addition to the APS Cricket landscape.

The individual highlight from the First XI season was certainly Ryan Agg's century against Geelong Grammar School.

There were mixed results across our Years 7–10 teams, yet all boys and teams showed huge improvement as the year progressed.

My thanks to our coaches for their tireless work, the BGS grounds team for preparing one of the better surfaces in the APS competition, and the Toms-McPhee Club for their continued support of our program.

James Harrod Teacher in Charge, Cricket

### **SWIMMING AND DIVING**

### IT WAS HEARTENING TO EXPERIENCE CHAMPIONSHIP SPORT AS BOYS TOOK TO THE WATER.

With 86 boys competing for 45 places on the swim team, every spot had been hotly contested.

Four Year 6 boys were identified by coach Gus Barnes through the School Sport Victoria regionals, making the BGS team one of the youngest entered. On the night, six APS records were broken and 26 BGS boys posted personal bests.

Whilst placing 7th in the championships, BGS Swimming has taken a step forward and will continue to move up the ranks in the years to come.

Though numbers are smaller in our Diving program, lead up competitions against the might of St Kevin's and Scotch College during Term 1 were promising.

At the chammpionships, our youngest divers Sebastian Naccarella and Oscar Ettershank came 4th and 3rd respectively and our Captain of Diving Tommy Keyte finished a credible 3rd in his division.

Performance of the night can be attributed to Tommy Jarvis, James Creighton and Lachlan Brooks who agreed to take to the boards so that the Victorian Diving community could be provided with a championship event.

Congratulations to St Kevin's College on winning both the Swimming and Diving flags for 2021, but all signs are that our Tonners are charging.

Christian Neeson Teacher in Charge, Aquatics

### BADMINTON AT BRIGHTON GRAMMAR IS AN EVER-GROWING SPORT COMPRISING OF 120 BOYS FROM YEARS 7 TO 12.

Throughout the season, not only did these boys demonstrate the BGS core values, through their impeccable sportsmanship, but they have also achieved great heights with the Firsts team finishing in the top three; the highest rank in 20 years!

This year, an emphasis has been placed on our younger stars with several Year 7 to 9 boys training with the Firsts team regularly. This allows the older boys to share knowledge and expertise with our rising stars so we can continue to prosper in the future. The success of such a legacy project was demonstrated by the rapid growth of skill and confidence as the younger players won game after game against the toughest of opponents.

Whilst the highlight of the season for the Firsts was when we won 8-4 against Scotch in a spectacular manner, every game was a highlight for the Fourths Blue boys who were undefeated for the entirety of the season.

Finally, we give our thanks to our superb coach De Diep, Team Manager Ollie Lovell and Teacher in Charge Wen Yan for their efforts and dedication to ensure every boy is representing themselves and the School in the best way they can.

Tony Ma Captain of Badmintion

## ALTHOUGH THE 2021 SEASON WAS AGAIN INTERRUPTED, THE BOYS REALLY ENJOYED GETTING OUT AND ONCE AGAIN PLAYING SPORT WITH THEIR MATES.

It was amazing to see that this year there were record numbers in the BGS Hockey program, with a number of Year 7s and 8s joining the sport.

We were all excited about the new uniform which made us feel quite special to be the first Hockey group to wear it!

The First XI had a competitive season and was fortunate to have a large contribution from boys across the Secondary School. We weren't the most successful team and faced many injuries for the majority of the season; however, we achieved many team goals and remained positive throughout.

Overall, the BGS Hockey program was successful this year, with special mention to the Year 9/10A and second teams who won the majority of their matches.

Special thanks to First XI Coaches Josh Bretherton and Brad Marais for all their efforts. To have such talented players coach us continues to see us strive on a weekly basis.

A huge thanks also to all staff, coaches and parents for the support throughout the season, especially Year 12 parents who have given many years of support to BGS Hockey.

Brendan Reddell and Maxim Coste Co-Captains of Hockey

#### BASKETBALL CONTINUES TO GROW ACROSS ALL YEAR LEVELS, RESULTING IN THE TALENT DEVELOPMENT OF ALL PLAYERS.

The First Basketball team had a challenging year in terms of wins and losses but that didn't stop the boys from working hard at training and having fun while doing so.

The highlight of the year was the Queenscliff Basketball camp which

was a fun experience that allowed the group to gel and create better relationships on and off the court.

The camp was an awesome opportunity for boys to reflect on the season and gain an appreciation of what the program means to them as individuals, as well as what it means for our fellow teammates.

Basketball was a key highlight of our time spent at BGS and we would 100% run it back and compete again if possible.

We're positive the program is in good hands for the future and that success is right around the corner for this up and coming program that is improving year on year.

James Clark Captain of Basketball

Will Biddick Vice-Captain of Basketball

**TOUCH FOOTBALL** 

### IT WAS ANOTHER FANTASTIC YEAR FOR TOUCH FOOTBALL.

Brighton Grammar's First VI finished second in the championships, playing superbly and eventually losing in a great final to St Kevin's. The Second VI qualified for the final of Division 2, losing narrowly to Ivanhoe Grammar's First VI.

Touch Football Captain Joshua Louw and Vice Captains Frank Ralogaivau and Leo Read led the squad superbly this season. A special thank you to the Year 12 boys in this group, many of whom have played the sport since Year 7.

BGS was represented by three teams at Year 9 and two at Year 10. All teams performed well, winning the majority of their games and setting high standards. The Year 10A squad and the Year 9A squad won their respective divisions with both teams dominating their finals.

The Year 7 and 8 Touch Football teams had a great year and played six rounds. Fixtures were well supported by parents and we welcomed a new home venue this year in Moorabbin Rams Rugby Club.

A strong team culture was established throughout the season which was complemented by an ethos of fun and enjoyment, and the boys demonstrated immense development in their skills and application during the year. They have set a strong base for the future success of the BGS Touch Football program.

Thank you to the coaches and teachers for their efforts, to the players for making this season so successful and to all the parents and guardians for their support.

Anthony Keane Teacher in Charge, Touch Football

# THE 2021 SEASON WAS AN EXCITING TIME TO BE INVOLVED IN BGS FOOTBALL.

Due to the lack of competitive games in 2020, the boys were extremely driven and motivated to make the jumper proud and show what they have been working towards throughout the preseason.

Over the April holidays, 48 Year 8 students set out to Queenscliff for the inaugural VicKick Tour. This was a great opportunity for these young boys to gain experience in playing together in venues around the state.

Another special moment in the footy season was the Second Football team and their incredible effort of going undefeated throughout this season.

For the First XVIII team, the season started off strongly with a statement 14-goal victory against St Kevin's.

As the season progressed, the Firsts were overcome with a few key injuries which caused our season to take a turn. Even though the performances didn't result in wins, we still formed unbreakable relationship and were able to uphold the traditional BGS culture, that will hopefully result in a successful 2022 First XVIII campaign.

The season wouldn't have gone ahead without the help of some crucial stakeholders of the program.

A huge thank you to Ben White, Ben Jacobs, James Gerstman and Nick Cox for their efforts into making the team the best they could possibly be.

Another thanks to James Harrod and Tim Marshall for coordinating such an interrupted season and ensuring it ran as smoothly as possible.

Will Ashcroft and Luca Macnab Co-Captains of AFL

## FUTSAL

### THE 2021 FUTSAL SEASON WAS FAST, EXCITING AND A NAIL BITER.

With record numbers in the program, it meant that all the boys were training hard to impress coaches and earn themselves a spot in the first squad.

For the first time, goalkeeper Tom Redpath captained the side and wore his heart on his sleeve and personified the Tonner spirit.

This season promised to be the one where we brought home the premiership and the first three games proved that we were the team to beat.

However, we didn't take our chances and make the most of our opportunities which meant that, after fives games, we had three wins and two losses.

The shortened season meant that we could only play each side once so every game was crucial. In the end, we just missed out on the premiership.

The season taught us a lesson that we won't forget anytime soon and that is to never be complacent.

The boys are already looking forward to the summer sport season when they can begin their quest to bring the APS Futsal Premiership to Brighton Grammar.

Zylkade Zekirija Teacher in Charge, Futsal

# 2021 WAS EXTREMELY UNTRADITIONAL AND, FOR A TEAM OF YOUNG MEN, IT REQUIRED PROBLEM SOLVING AND NO SHORTAGE OF RESILIENCE.

This began at the onset where we took on East Brighton United's senior side which resulted in a 2-1 win, a season defining moment that set the standard for our successful season.

COVID-19 threw our squad a curveball that left us out of action for a few of

the opening rounds. Despite being able to return mid-way through the match day calendar, we found ourselves back in a secondary lockdown for almost the duration of the season which left us with one more game to play.

As a team we continued to pursue better things as our School motto states, *Meliora Sequamur*. We continued to improve our game, going on runs with an exercise buddy and also having a kick when COVID-19 allowed.

Maintaining our fitness and skills enabled our team to smoothly transition back into competition and, ultimately, catalysed a very successful season. A highlight that many of the players savoured was our camp away in Queenscliff, encompassing valuable training sessions, team bonding and memories to cherish.

I'd like to extend my gratitude to Zylkade Zekirija, Alastair Wallace and Tom Avdoulos for their never-ending support.

To Kogu Sabaratnam and Sandy Faulds, thank you for being the heart and soul of this prestigious program.

Cameron Khan Captain of Soccer

### RUGBY

# THE 2021 BGS RUGBY SEASON HAD ITS CHALLENGES, YET A CONSISTENT THEME ACROSS ALL AGE GROUPS WAS THE HIGH LEVEL OF TEAMWORK, INTEGRITY AND WORK ETHIC DEMONSTRATED BY ALL BOYS.

Throughout the season, BGS was seen as a dominant force; however, our boys always displayed positive sportsmanship to their team mates, coaches, oppositions and gameday officials. A highlight was winning both the Cardiff Cup (First XV) and Supporters' Plate (aggregate score of all BGS teams for the day). Congratulations to all for contributing to such a positive and entertaining 2021 Rugby season.

The 2021 First XV season began with a brutal pre-season camp in Campaspe Downs, Kyneton. The camp was vital to our success because this was where we realised our potential.

It formed the platform for our success because it created a special bond in which we took with us into the season and strengthened it by introducing weekly team dinners.

This season we wanted to not only create a fun culture but a winning culture where we strived for greatness and that is exactly what we did. This created a sense of trust and belonging in our team and this proved evident when we had players in positions they'd never played before, yet still thriving.

Looking back now, the best part of this year's season was not only being able to make a grand final but the connections and trust everyone was able to form with each other because that was what made the 2021 First XV so special.

Frank Ralogaivau Captain of Rugby

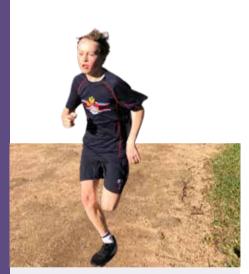

## **CROSS COUNTRY**

# THIS YEAR, A SMALL BUT DEDICATED SQUAD OF ATHLETES SET THEMSELVES THE GOAL OF IMPROVING AND EACH WEEK WE SAW BIG GAINS IN THE BOYS' FITNESS LEVELS.

Xavier Hendy led the way and was our best performer this year, consistently running in the top 50 in the competition.

Xavier was a role model for the younger boys and he helped to bring the team together to work hard.

Jasper McKinna, Alexander Feehan,

James Li, Kyle Roos and Ayden Roos all ran up several year levels above their own in order to support the team.

Despite the age difference, all of these boys gave everything in their races and competed well.

The holiday sessions were well attended and reflected the boys' commitment to improving. Alexander Rozentoul would always bring an amusing anecdote to training and would often have insightful comments that would get everyone talking.

Jarrad Thomson was also notorious for his fast finish in the holiday relays that would often secure his team the victory. Harry Penwright and Harrison Kemp were the most consistent performers throughout the year.

Both athletes barely missed a training session and would always come to training seeking to push their boundaries. William Smith was also a welcome addition to training and, in some races, he displayed tremendous talent and it will be exciting to see what he can do in the next few years.

Special mention goes to Jasper McKinna, the recipient of the Cross Country Spirit award.

As a Year 7 student, Jasper volunteered to run in the open age group to help fill a team, he rode 45 minutes to attend holiday training and improved his 5km time by four minutes this season. Finally, we thank our Captain Harrison Chapman for his years of service to Cross Country.

Christopher Dale Teacher in Charge, Cross Country

### **TENNIS**

#### YEAR 5

We started the year full of energy and enthusiasm for the boys first chance at inter-school sports. After spending much of the year without sport in 2020, the boys were keen to put in their best efforts in both training and matches.

We were lucky to have James Bryan and Christian Carnovale sharing their expertise at training to help the boys learn the rules of the game and improve their skills. We enjoyed some excellent competition with schools such as Haileybury, Xavier, Melbourne Grammar, St Kevin's and Scotch College.

We had many great performances from doubles combinations throughout the season, but our top pairing of Kenta Koyama and Hugo Cleret led us well in every match and were awarded Most Outstanding Player and Best Team Player, respectively.

### YEAR 6

There was fantastic sportsmanship from all schools – encouraging each other, understanding where others were at, winning and losing gracefully. There was noticeable improvement in many boys, which was amazing considering this was the first time that many had played proper Tennis matches.

Christian Carnovale's coaching and mentoring of the boys was greatly appreciated. Isaiah Harper won Most Outstanding Player and Max Henley Best Team Player.

Rebekah Ashcroft Year 5 and 6 Tennis Coach

### **TABLE TENNIS**

#### YEAR 5

With many boys choosing Table Tennis this year we were able to have a separate Year 5 team, after fielding two mixed 5/6 teams in 2020.

The boys were competitive. Although it was soon obvious that Quinn Wang and Leo Lin were our top pair, the boys in pairs 2, 3 and 4 fought hard to improve their game so that they could challenge Quinn and Leo.

The battle on the tables was fierce but just as fierce was the battle for captaincy. Lachlan Dever and Sacha Rose embraced this challenge and agreed to take turns being captain and co-captain throughout the season.

Congratulations to Quinn Wang who won the Most Outstanding Player and Sacha Rose who won the Best Team Player.

Cindy van Dijk Table Tennis Coach

#### YEAR 6

This year we were fortunate to have a number of enthusiastic and talented Year 6 boys participate in Table Tennis.

The boys were highly competitive yet incredibly supportive of each other, using training sessions purposefully to develop their skills.

The sportsmanship was outstanding, with staff from other APS schools regularly commenting on both the kindness and determination of the BGS players.

Felix Ridley, Max Reeve and Lachlan Wiseman regularly took on the role of Captain, thanking the opposition and writing sports reports.

Congratulations to Tokey Ma who won the Most Outstanding Player and John Haralambakis who was awarded the Best Team Player.

Rebekah Ashcroft Tennis Coach

The 5A Cricket team started the season with a strong performance against Scotch College. During the season, the team grew in skills and sportsmanship. Wins came with a disciplined training regime, commitment to improving and trying one's best, and supporting team mates.

A highlight of the season was how well the boys stuck to the team's strategy throughout each game.

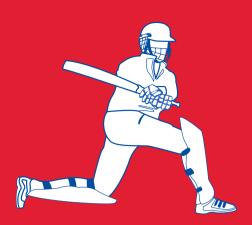

Our last game was a re-match with Scotch College, which the team won convincingly, allowing the 5As to finish the season undefeated. The Most Outstanding Player was Tom Haydon and the Best Team Player was Seb Dalrymple

The 5B team had a successful season where boys exhibited growth in level of play and sportsmanship. Strong bowling performances with very limited wides and no balls were a highlight for the team.

Our final game against Scotch College was our finest batting performance, only losing one wicket and all players contributing to our largest total for the season. It didn't phase the boys whether we won or lost, and it was great to see big smiles on their faces no matter the result. Finishing the year with three victories and two losses was a fair reflection of the boys' year.

Their ability to build partnerships, post competitive totals and bowl tightly was the key to this success. The Most Outstanding Player was Sebastian Howell and the Best Team Player was awarded to Tom Bull.

Michael Stephens and Matthew Barker Year 5 Cricket Coaches

#### **6A CRICKET**

It was great to be back playing APS sport again. The 6A Cricket team set team goals of being a supportive group of boys who use positive feedback to help each other grow as cricketers and to just enjoy playing cricket again. The boys developed as the term progressed.

Ably led by the batting of Hamish McCausland, Luke Lawrence, Luke Kollmorgen and the big hitting of Jett Doherty, BGS produced some solid scores.

Our bowling and fielding led the way; the spin of Brodie Buckingham, pace of Archie Cotton and accuracy of Ned Noakes and Lachlan Strahan, combined with the outstanding fielding of Mitch Spence and Connor Giles, allowed BGS to restrict many teams to low scores!

Feedback from parents and teachers from both BGS and other schools about the teamwork, positive attitude and great sportsmanship of the boys has shown we achieved our team goals for the year. Something to be proud of – go Tonners!

#### **6B CRICKET**

It was so great to see the boys finally back taking part in APS sport in Term 1. The excitement at training and in the first game was certainly on show to spectators. It has been wonderful to witness the 6Bs grow in confidence with their skills, knowledge and appreciation of the game.

The 6Bs included boys with club Cricket experience which was invaluable in helping players who hadn't played a proper game before.

Camaraderie and support were certainly on display in the games played.

An area where we struggled was consistency. As a team, the 6Bs would bat well and post a competitive score; however, our bowling would then be inconsistent and wayward, resulting in the opposition winning a few tight games.

We also had the problem of bowling well, then our batting would fall to a low total. This is part of the game and, with more practice in the nets and game time, I can certainly see a number of promising cricketers fighting for A team places next year.

Well done to all the players who represented the 6Bs. You were respectful on and off the field and certainly showed that you are proud Tonners.

Luke Fensling and Rob Bater Year 6 Cricket Coaches

### CROSS COUNTRY

# THE CROSS COUNTRY TEAM WORKED HARD TO IMPROVE THEIR FITNESS THIS YEAR AS THEY COMPLETED A SEASON FILLED WITH EXCELLENT RUNNING AND WONDERFUL RESULTS.

Our training sessions took place at the Brighton foreshore and we enjoyed the late autumn days with runs along the boardwalk.

The Junior School team was well led by Year 6s. The way they challenged themselves by pushing through the pain barrier was a fine example for the younger boys. The spirit shown by the team was a highlight.

It was great to see boys who had finished their race cheering on the runners yet to finish.

Year 6 students Max Reeve and Felix Ridley consistently placed inside the top 10 at our weekly competitions and were awarded the Most Outstanding and Best Team Runner awards for 2021.

Year 5 students Arki Whitfield and Hugo Cleret, who performed admirably, improved week on week and helped the other boys when they needed support, were well-deserved recipients of the Most Outstanding and Best Team Runner awards.

Matt Barker and Jessica Taylor Year 5-6 Cross Country Coaches

### **SWIMMING**

### THIS YEAR SAW THE DAWN OF A NEW SWIMMING ERA.

Coach Gus Barnes, set the bar high for our Years 5 and 6 swimmers, encouraging the boys to work as a team to achieve success.

Our swimmers focused on being competition ready, fine tuning their starts and finishes, as well as working on stroke development and technique. As the season progressed, the team spirit shone.

The boys encouraged and supported each other at every turn, sharing pointers on watching the clock, timing their starts and diving from the blocks.

Boys strove to achieve personal bests in 50 metre individual races, pushing some to achieve their stretch goals. BGS spirit was alive and well in our Freestyle and Medley relay meets, with every boy giving his best effort.

Year 6 Best Swimmer was awarded to Justin Mei and Mitchell Carney took out Best Team Swimmer.

New to BGS, Year 5 student Ethan Xu won Best Swimmer, with Year 5 Best Team Swimmer being awarded to Bill Wang.

Gus Barnes, Cathy Box and Glenn Garland Years 5–6 Swimming Coaches

### **LAWN BOWLS**

# THE SUN SHONE, THE LAWNS WERE GREEN AND POLISHED; THE PERFECT RECIPE FOR OUR YEARS 5 AND 6 BOYS TO PARTICIPATE IN THE GENTLEMANLY GAME OF LAWN BOWLS IN TERM 2.

Under the expert guidance of Hampton Bowls Club lead coach, Ivan Silver, the boys were schooled in etiquette, technique and lawn bowl theory, before putting their training into action

What may have seemed like a simple task of bowling one ball in the direction of a smaller ball, it was not quite so easy in practice.

Each week, the boys worked on improving their accuracy, aim and distance; they learnt to work with the biased balls and get their power just right. Our fantastic season ended with a round robin event, where teams played off against each other, having a great time.

Year 5 Most Outstanding Player was Charles Williams and Year 5 Best Team Player was Sasha Rose.

Year 6 Most Outstanding Player was Lachlan Wiseman and Year 6 Best Team Player was James Lipovetsky

Cathy Box Lawn Bowls Coach

### **VOLLEYBALL**

#### YEAR 5

### VOLLEYBALL WAS A NEW SPORT TO YEAR 5 BOYS, SO WE BEGAN THE SEASON BY PLAYING MODIFIED RULES.

The boys' skills improved quickly; they showed increased confidence with the serve, dig and spike.

It didn't take long before the boys enjoyed attacking the ball and did not need to play the modified catch. Well done to all boys on the significant improvement they made this season.

Special congratulations to the following boys: Most Outstanding Player 5B Blue Leon Thomas, 5B Red Leo Lin, 5B Yellow Bill Wang, 5C Green Ieuan Hill.

Best Team Player: 5B Blue Elijah Pels, 5B Red Lachlan Dever, 5B Yellow Bobby Ding, 5C Green Timothy Martin.

Cindy van Dijk and Dean Bryan Year 5 Volleyball Coaches

#### YEAR 5

# THERE WAS A STRONG INTEREST IN VOLLEYBALL IN 2021 WITH BGS ENTERING THREE YEAR 6 TEAMS.

The aim at training each week was to develop the core skills required and implement them into game play.

Boys worked on their serve and quickly realised that if you were able to consistently serve over the net with control to land the ball in play, this was often enough to claim some easy points.

For those boys who play Tennis, they were able to transfer the overarm serve to Volleyball. The underarm serve proved equally as effective for some boys.

When receiving serves and in order to structure points, the dig and the set were crucial skills. As boys refined

their foot movements and knee bends, effective communication and teamwork enabled these two skills to be used optimally.

As game play developed, some boys were able to add the spike to their repertoire.

Each week, the boys' skills, confidence and communication improved and they demonstrated teamwork and team-spirit.

The following boys were awarded Most Outstanding Player: 6A William Tan, 6B Neil Sun, 6C Des McDonald. Best Team Player awards were presented to 6A Oscar Liu, 6B Luke Roode, 6C Ben Louw.

Rebekah Ashcroft, Sara Webster and Glenn Garland Year 6 Volleyball Coaches

# ELC 3 BILBY

### IN THE BILBY ROOM THIS YEAR, THE BOYS HAVE BEEN INVOLVED IN A VARIETY OF RESEARCH PROJECTS.

Research projects provide many learning experiences for the boys, and allow them to use their own initiative to drive the investigation. They offer an immense amount of growth, knowledge and skill and provide contexts in which children's curiosity can be expressed through art work and dramatic play, and enable children to experience self-motivated learning.

Colours and colour mixing became a huge topic of conversation within the Bilby room, through observing, group discussions, turn taking and painting. The Bilby boys explored the main primary colours, they then began to mix, add in shades, and then of course mix in secondary colours.

During the colder months, the outdoor environment provided a source of inspiration; the ability to paint outside and explore colours further within this environment always sparks joy.

The Bilby class was even lucky enough to receive a colour story made by their Year 5 buddies. It has been a pleasure exploring alongside the Bilby boys this year.

Ebony Geilings ELC3 Bilby Teacher

'CHILDREN NEED THE FREEDOM TO APPRECIATE THE INFINITE RESOURCES OF THEIR HANDS, THEIR EYES AND EARS, THE RESOURCES OF FORMS, MATERIALS, SOUNDS AND COLOURS' - LORIS MALAGUZZI

# ELC 3 WOMBAT

# NEW AND EXCITING EXPERIENCES OCCUR DAILY IN THE WOMBAT ROOM.

These experiences have enabled the boys to investigate, question and develop their thinking.

One opportunity that the boys enthusiastically embraced was learning about urban and rural areas. The boys were able to express an understanding and knowledge through many different experiences created by the teachers. These included using online resources and images, books, drawings and block play.

We identified and discussed similarities and differences between the geographic areas: 'This looks like where I live' and 'There are lots of houses and trees and a park'.

A feeling of connectedness was evident as the boys learned to think outside themselves, family and the community.

Melissa Manaras ELC 3 Wombat Teacher

## **ELC 4 BANDICOOT**

### THIS YEAR WAS CHALLENGING AND EVER CHANGING, BUT IT EMBODIED THE IDEALS OF ACCEPTANCE, PERSEVERANCE AND PATIENCE.

What better way to reinforce these concepts than to celebrate the 2020 Tokyo Olympics.

We began our journey by exploring the humble olive branch and its powers to relay the universal language of peace and kindness. The Bandicoot boys learned that the olive branch was awarded to champions during the Ancient Greek Olympics.

It was important for the boys to gain an understanding that awards and trophies do not always glitter and shine, but they can be a simple gesture of gratitude and acceptance. They learnt that our everyday efforts are not always followed by fanfare and celebration, but with modesty and self-acceptance, and sometimes with a feeling of contentment and pride, as was the case of the ancient Olympians.

Immersing themselves in history and traditions dating back thousands of years, the boys then had the opportunity to look, feel and represent this powerful plant as a drawing.

Liz Dendrinos ELC4 Bandicoot Teacher

## **ELC 4 WALLABY**

### THE WALLABY BOYS THIS YEAR WERE FASCINATED BY THE BIRDS WHO VISITED OUR GARDEN EACH DAY.

Every morning, the boys observed the birds watching us while we ate our morning tea. This prompted discussions about how our ELC garden is home to the birds, and how our food scraps become a source of food for them. Further discussion resulted in the boys wanting to provide the birds with a safe home and a place to drink.

The Wallaby Bird Bath was a team project with all the boys collaboratively using their skills to design and build a bath for the birds. It sits proudly in the garden surrounded by special Australian Natives to entice the birds.

By engaging the boys in learning about animals and creatures, we are teaching them how to respect, care and show empathy towards them. It builds upon their natural curiosity to help them understand that animals also need to be cared for.

One afternoon whilst we sat on the mat, a black Raven perched itself on the edge of our birdbath, eating our crumbs and drinking the water. We all sat so quietly and no one moved. It did fly away but we know it will be back.

Felicity Jones ELC4 Wallaby Teacher

### **PREP**

# THIS YEAR, OUR PREP BOYS DEMONSTRATED PERSEVERANCE, BRAVERY AND STRENGTH THROUGHOUT THEIR LEARNING JOURNEY.

The BGS spirit was continually shown by our Prep students, from celebrating House events, to trying their hardest during Distance Learning. It is amazing the determination for success that five and six year old boys can have.

Distance Learning wasn't all Zooms and screens. Each fortnight, the boys collected a take home bag of activities that included hands-on work as well as a chance to demonstrate their creative side. We even took the opportunity to celebrate Father's Day by building towers for one of our craft activities with our dads and special friends.

We also celebrated 100 Days of Prep remotely. The boys received a bag of goodies and we marked this special occasion by completing activities related to the number 100, and enjoying a special Zoom lunch and a dance party to finish.

Term 4 saw a return to on-site learning and the Prep boys once again had the opportunity to learn and play with their friends. Whilst the year was not what they had hoped for, the boys became 'braver than what they believed, stronger than what they seemed and smarter than what they thought' - AA Milne.

Alison Main and Paul Strain Prep Teachers

# THIS YEAR HAS BEEN A BUSY AND EXCITING YEAR FOR YEAR 1 STUDENTS. HERE ARE SOME OF OUR HIGHLIGHTS:

### **FIRBANK VISIT**

During Term 2, the boys visited Firbank Grammar and had the opportunity to engage in a range of team-building activities. The girls and boys were challenged to make the tallest free-standing tower they could in their groups. The girls also taught the boys some new maths games to practise their problemsolving skills.

#### **MELBOURNE MUSEUM**

Year 1 boys visited the Melbourne Museum to consolidate their knowledge of dinosaurs. They investigated what makes a fossil, different dinosaur features and where we can find modern dinosaurs today.

#### PAST AND PRESENT

A favourite topic this year has been learning about life in the past. A highlight was the immersive day where boys viewed a range of objects and artefacts from the archives, including old Brighton Grammar uniforms. They then visited the School House Café and learned about its connection to Brighton Grammar's history.

### **BAKING ONLINE**

One upside of Distance Learning was the ability to get creative in the kitchen. The Year 1s had fun baking their own gingerbread men after reading, The Gingerbread Man. The boys wrote their own recipes and, luckily, we had no runaway gingerbread!

Victoria Fisher and Sam Kuring Year 1 Teachers

### DURING 2021, WE HAVE HAD A WONDERFUL LEARNING JOURNEY IN YEAR 2.

Our Pirate theme was a highlight. In the classroom and during Distance Learning, the boys learned about mapping, compasses, treasure, life as a pirate and pirate flags. They were immersed in lots of books about pirates, both real and imaginary, and wrote in a number of genres.

The boys relished the opportunity to dress as a pirate, talk like a pirate, play pirate games and make treasure chests filled with booty. They proved to be a worthy crew, navigating the Distance Learning journey, aboard the Jolly Acacia and Jolly Waratah.

Another highlight for the Year 2 boys was our Outdoor Education day visit to Point Leo beach and Merrick's Lodge camp. The boys enjoyed beach activities including rock pooling, beach combing and beach games. Learning to canoe, on the lake at Merrick's Lodge, saw the boys rise to the challenge and display great teamwork.

We are so proud of the boys and their efforts this year.

Monica Le Couteur and Steve Lewis Year 2 Teachers

# YEAR 3 EXPERIENCED AN ARRAY OF WONDERFUL LEARNING OPPORTUNITIES THIS YEAR, BOTH WITHIN AND OUT OF THE CLASSROOM ENVIRONMENT.

Under the leadership of Bill Gibney, each class for their Design and Technology unit researched, designed and constructed a collection of miniature catapults. Whilst working in pairs, not only did the boys problem solve the challenges associated with creating a highly effective machine, but in doing so they also reinforced their measurement and estimation skills.

The boys gained immense pleasure from testing the strength and accuracy of their devices.

Later in the year, a two-day adventure program at Candlebark Farm in Healesville allowed the boys to develop their teamwork, resilience and organisation skills whilst strengthening their appreciation of a bush environment.

When experiencing challenging situations, it was most pleasing to see them display empathy, adaptability and enjoyment.

In preparation for camp, the boys engaged in an extensive study of Australia's endangered species whilst engaging in their Distance Learning program. It was most satisfying to observe their fascination and rich understanding of Australia's unique fauna when they visited Healesville Sanctuary on their return from camp.

Brendan Rahn and Jacqui Stenniken Year 3 Teachers

# YEAR 4 IN 2021 STARTED ON A VERY POSITIVE NOTE. WE WELCOMED MANY NEW BOYS WHO DIDN'T TAKE LONG TO FORM FAST FRIENDSHIPS.

In Semester 1, the boys worked productively to strengthen their knowledge of Indigenous Australian culture and the early exploration of our nation. We presented a colourful indigenous showcase to our parents including group projects, a home task artefact, and a dreaming story retell using Movie Maker and a Drama presentation.

An excitement and joy for the Year 4 boys is the opportunity to buddy-up with the ELC boys. The boys managed a few catch ups before the COVID-19 resurgence and displayed wonderful leadership and 'big brother' guidance.

Another highlight for the boys was our camp to Anglesea where they enjoyed both surfing and canoeing. The boys formed fabulous bonds whilst hiking and sharing noisy and giggling bunkrooms.

Having the boys' mothers visit the school for our Mother's Day Chapel Service and classroom activity was a wonderful and cherished event. The boys enjoyed making teacups and spending a special morning with their mum.

During Distance Learning, our boys rose to the occasion by taking it all in their stride and maintaining a positive attitude. Dress up days, cooking sessions, games of Blooket and catching up in the break-out room were their highlights

Anita Salems and Scott Werry Year 4 Teachers

### YEAR 5 ENJOYED THE SPECTACULAR CAMP HOWQUA IN 2021.

Highlights included the survivor course, the hair-raising zip line and the knee jittering high ropes. Main challenges for students were the river walk and camp out.

Boys learned to waterproof their backpack, cook on a Trangia stove, set up a tent and maintain hygiene in a bush setting. The environment, funfilled atmosphere and delightful weather made for a thrilling and memorable adventure.

Amid the ins and outs of Victoria's COVID-19 response, the Sovereign Hill camp was modified to a day trip.

Complementing our in-class studies of Australian history, the living museum of Sovereign Hill provided the boys a real insight into life on the goldfields in the 1850s. Mine tours, the bakery panning for gold (despite wet feet for some!) will be held as special memories.

The boys learned to bake and cook a variety of delicious treats throughout the Distance Learning program in Terms 3 and 4.

Nonna Box (Mrs Box's mum – the unofficial equivalent of an Italian three hat chef) mentored the measuring, mixing and cooking of various treats. These included banana bread, RUOK cinnamon scrolls, choc chip cookies and, of course, the world-famous sausage rolls.

Matt Barker, Cathy Box, Michael Stephens and Cindy van Dijk Year 5 Teachers

### THIS YEAR STARTED OUT JUST LIKE ANY OTHER TO THE RELIEF OF ALL THE YEAR 6 BOYS.

#### **BRINGING CANBERRA TO BGS**

Term 1 allowed us to hold our first ever indoor House Swimming carnival, meet and work with our new buddies and work with boys from the Secondary School to host the inaugural House Spirit Chanting competition (won by Dixon). As we moved into Term 2, the excitement of what lay ahead was rising.

#### CAMP COOLAMATONG

Camp Coolamatong was the perfect opportunity for boys to forge friendships with their new classmates and teacher and to welcome new boys to Brighton Grammar. The challenges of off-road biking; canoeing against the wind; finding the hidden markers whist orienteering and playing the newest game sensation '9-Square-in-the-Air' were some of the many exciting adventures on camp.

However, the whole-day hike and overnight camping would be the highlight for most boys. In extremely challenging conditions (especially for 6 Investigator) of continuously pouring rain, all Year 6 boys demonstrated resilience and persistence to complete the camp with a sense of achievement.

### YEAR 6 MUSICAL

Once again, lockdown and Distance Learning challenged the Music staff and Year 6 teachers to produce a Year 6 musical. Under the guidance of Jared Furtado, Hayley Blakiston and Claire Clarke, the boys were able to produce a fun and entertaining version of Jack and the Beanstalk, full of dance, colour and lots of lots of animal costumes!

#### **BILLYCARTS**

Upon return to on-site learning in Term 4, the Year 6 boys were able to work in their small groups to design, plan and construct their billycarts for the annual Billycart Cup. The boys certainly enjoyed the opportunity to be back at school and working with their classmates to build a competitive billycart.

### **WELLBEING WEDNESDAY**

Wellbeing Wednesday cooking sessions proved to be a highlight of Distance Learning. From sausage rolls to slices and cakes, lasagne and dumplings, the Year 6 boys worked diligently to develop their cooking skills.

As the boys cut, measured and poured, it was great to see involvement from parents, sisters and brothers and even some grandparents as the amazing dishes were prepared. The chocolate cake decoration competition was a highlight, with designs ranging from sporting fields, Donald Trump rallies and even a teddy bear or two!

Rob Bater, Luke Fensling, Jessica Taylor, and Sarah Webster Year 6 Teachers

# WHAT DO LAPTOPS, OUTDOOR ED PROGRAMS AND GYMNASIUMS HAVE IN COMMON? NOT MUCH REALLY, APART FROM SOME OF THE HIGHLIGHTS OF MY FIRST YEAR AT BGS.

Coming from a local primary school, I didn't know a lot of boys when I first started. From the moment I walked into the Urwin Centre, I felt that I was meant to be there. The energy was electric and I immediately felt motivated to achieve and live up to the BGS standard and be a part of its legacy.

The Year 13 Mentors and Outdoor Education Program Leaders provided great support in my first term. Their guidance and support were invaluable and we all appreciated their tips and strategies on how to survive our first year of secondary school. Their care and encouragement on the Point Leo program can't be underestimated either.

The opportunities at BGS have been amazing this year: APS Sport, Annandale, House competitions, Swimming, House Choral and Music to name a few. I certainly know what it feels like to be part of something big.

Year 7 has been incredible, bring on Year 8 - we're ready for you!

Nicholas Michele Year 7

# YEAR BY YEAR

# THIS YEAR WAS CHALLENGING FOR YEAR 8 BOYS, BUT THERE WERE A SIGNIFICANT NUMBER OF ACHIEVEMENTS AND EVENTS TO CHERISH DURING OUR TIME AT SCHOOL IN 2021.

We achieved so much as a year level. We competed for our Houses with our peers in House Swimming, Choral, Chess and more.

In Term 3, we got to experience and get closer to our peers and friends from our Houses with the Year 13 Threshold Program. They told us a lot about their time at school and taught us how to counter the potential stress and difficulty of schoolwork.

There were multiple opportunities to partner with Firbank Grammar students and enjoy great activities with them, including being part of the *Aladdin JR*. musical. Filming the production was a great experience.

Another highlight was Book Club when some of our peers read books and then shared their thoughts on them with the Firbank girls. Furthermore, we finally experienced our winter sports for quite a few rounds and we also enjoyed a full season of summer sport!

Dmitry Sorokin Year 8

# YEAR 9 WERE ENTHUSIASTIC WITH START OF THE 2021 ACADEMIC YEAR IN THEIR NEW LEARNING ENVIRONMENT AT THE ST ANDREW'S END.

There was much excitement in Term 1 as the Year 9s participated in the Choose your Challenge journey. The Year 9 boys were able to choose between hiking, canoeing, and cycling, all of which cemented the skills needed for our Great South West Journey later in the year.

The relationship with Firbank Grammar is important, and the Year 9 boys had various opportunities to interact with our sister school, by taking part in the Middle Years production of *Aladdin JR*. and the RCD Big Lunch.

Year 9 boys also had the chance to support activities outside the classroom including House Choral, chess and debating. Whilst the extended lockdowns brought some disappointment, the spirit of the Year 9 boys was evident as they took on activities offered during Distance Learning, such as the House Strava competition.

There is a definite sense of camaraderie and resilience amongst the Year 9 cohort, no matter the obstacles!

Andrew McGregor Year 9

# YEAR 10 ENCAPSULATES THE JOURNEY OF STUDENTS CONSOLIDATING THEIR FUTURE IDENTITY THROUGH ACADEMICS. SPORTS AND CO-CURRICULAR ACTIVITIES.

These range from undertaking a new elective or VCE subject, giving their best in First team sports or exhibiting their expressive talents in musicals and senior ensembles.

It is the essence of *Meliora Sequamur* where students are challenged to surpass their limits and build upon leadership and camaraderie among peers.

During the year, the boys envisioned the type of world they want to be in by first contributing to building a prospering community, accomplished by the myriad of service and House activities available.

These opportunities inspire and develop students to adopt the archetypes of a leader and carry them on through the Tower archway to their final years of Secondary School and beyond the Oak.

Year 10 dwells on the core value of passion as it fosters students' interests and visions of their future whilst preparing them to face adversities with resilience and optimism

Eason Liu, Year 10

# YEAR 11 IN 2021 HAS BEEN FULL OF LEARNING, ACADEMIC EXCELLENCE, BUSYNESS, CELEBRATION AND HUSTLE, AMIDST SOME ADVERSITIES AND SETBACKS.

Whilst some experiences and planned events were hindered this this year, bringing us back to Distance Learning, there were many wonderful highlights.

These included House Swimming, the House Choral competition, and the showstopping, energetic and exciting *Mamma Mia* musical with Firbank Grammar, just to name a few.

A number of Year 11s were also involved in the Student Coaching program with Year 6 students. Each Tuesday, they would mentor the younger boys on their goals for moving into the Secondary School soon.

The time spent at school this year was absolutely valuable, not only with classmates and friends, but also with teachers and staff.

We were all told that Year 11, as part of VCE, was going to be difficult in every sense of the word, stepping up from Year 10, and it was.

However, the experience of Distance Learning has equipped us with a new level of resilience and perseverance which will benefit us as Year 12 students in 2022.

This year has proven to us all that many things are out of our control, but we must embrace everything that we can control and never take things for granted, because our time at BGS is slowly narrowing.

Luca Spampinato Year 11

AFTER THE CHALLENGES OF LAST YEAR, THE YEAR 12 BOYS MARKED THE BEGINNING OF A NEW YEAR BY TRAVELLING UP TO MOUNT BOGONG AS PART OF AN ONGOING TRADITION TO REFLECT ON THE JOURNEY AHEAD.

During the 3-day period, the cohort participated in activities focused on mindfulness, organisation, planning and stress management. This hike to the summit was like no other, and was the first of many challenges which the group had to face in 2021.

As a part of an annual event held jointly with Firbank Grammar, the Year 12 group undertook a Respectful Relationships workshop which promoted social and emotional skills outside of the classroom. This mindset encouraged the establishment of healthy relationships which were on show at the Year 12 Formal. The theme of '007' attire set the stage for a spectacular night.

As border closures restricted international travel, the cohort were transported to the Greek Islands for *Mamma Mia* the musical. A fellow tonner, James Tsindos, took centre stage playing a lead role. For this young man, musical theatre was a passion, and this was made obvious through his dazzling performance. The boys united in their support for one another following James' passing,

displaying the caregiver archetype and value of this sacred community.

In a first for BGS, founder of the High Performance Mindfulness Program, Emma Murray, guided the cohort to control their mindset as a means of maximising academic performance.

These sessions were accompanied by fortnightly year-level meetings and the inclusion of the school's Long Day program which provided the boys with the opportunity to collaboratively work together after school hours.

With the Prefect's Legacy project aimed at restoring the boys' pride in their school, weekly Chantology sessions, combined with attendance of sporting events, helped to reinforce the culture.

Solidifying this pride allowed the cohort to embrace the challenges faced and make the most of their final year.

Congratulations to the Class of 2021.

# TOP SCHOLARS FOR 2020

THE GRADUATING CLASS OF 2020 RECORDED BRIGHTON GRAMMAR SCHOOL'S BEST ACADEMIC RESULTS IN OUR SCHOOL HISTORY. DUX OF 2020, JAIKOB AKINCI, RECEIVED A PERFECT SCORE OF 99.95, ONE OF ONLY 38 STUDENTS IN VICTORIA TO ACHIEVE THIS.

Jaikob was amongst 10% of Year 12 students (a total of 14) who achieved an ATAR of 99 or above. They were Jaikob, Carl Rumbens, Ruitian (Victor) Ding, Shi (Peter) Qiu, William (Billy) Pearson, Ziyu (Tom) Xu, Nathaniel (Nate) Hollis, Brandon (Wei-Yee) Hall, Tianhan (Steven) Luo, Kareem Zecevic, Harrison Kirkham, Tianyi (Sky) Wu, Jason (BenHao) Gu, and Richard Jiang.

Six students attained perfect Study Scores of 50 - Jack Anson (Physical Education), Jack Damyon (Further Maths), Darby Hipwell (Global Politics), Maximilian Kortge (Maths Methods), Tian Pang (Maths Methods) and Lachlan Wake (Further Maths).

A total of 49% of our Year 12 2020 boys gained an ATAR score of 90 or above, which is an incredible effort. The 43 Year 12 2020 students who achieved ATARs of 95 and above were guests of honour at a special Scholars Assembly held in Term 1.

The boys were presented with certificates, book prizes and vouchers in recognition of their achievements. We hope that all students gained some insight and motivation whilst listening to our Dux, Jaikob Akinci, in his address to the whole school.

GRAMMARIAN 2021

## **VCE VCD**

### THE YEAR 2021 SAW MANY ACHIEVEMENTS IN THE SUBJECT OF VISUAL COMMUNICATION DESIGN.

The impact of Distance Learning amongst the student cohort did challenge the more manual-based techniques; however, similar to 2020, students explored and experimented with new and exciting ICT software and app tools.

Year 9 and 10 students investigated branding and a business involvement in their Hat and T-Shirt designs respectively. The communication design field of logo development, copyright and marketing was a key focus, with many students embracing the topic and developing some excellent designs. James Tan, Marnix Ferwerda and Leonard Shen had excellent representations in all outcomes for Year 9.

Jack Giblin, Year 10, showcased an interesting milkshake maker design for his Industrial task, where students used Orthogonal drawing with the Australian Standards to depict their ideas through a technical based drawing.

The VCE VCD students once again displayed some excellent work in the three design fields of communication, industrial and environmental. Noah Hartman's graphic design of the Typography book task for Unit 2 Outcome 2 was a standout, other creative folios by Vuna Ofahengaue, Christian Pace and Joshua Jarrick were also seen.

We were fortunate to host David Bacon on-site and Professor Martyn Hook via Zoom to present to the Design students this year. David, who specialises in strategic and UX design at Telstra, spoke about his job role, experiences in UX design, and the importance of 'empathy planning' with key links to the desired client and customers.

He also touched on how UX design will evolve into most streams of design in the future. Professor Hook, Dean of the School of Architecture and Urban Design at RMIT University, spoke about the processes of applying for Design-based tertiary courses, giving our students valuable insights and tips into how to present a successful interview.

Keane Lombard

**Christian Pace** 

The Unit 3/4 class displayed a positive outlook during the U4 SAT folio, and some found ways to explore their materials, media and method work at home. Whether it be Lachie Barlow's Houseboat design, Tom Arrigo's classy album cover, Nick Anson's architectural studio or Keane Lombard's mountain bike design, all students should feel a sense of pride with the work they completed mainly through Distance Learning.

Once again, the department was benefitted by our experienced Old Boy scholars of Oliver Platt, Oliver Gunning and new to the roster this year, Jackson Sweet, who were all invaluable to the learning and advancement of all VCD students throughout the Year 9-12 program.

Both VCD staff and students thank the Unit 3/4 class of 2021 for their tireless efforts over the past three years and wish them well for their future endeavours, especially if that direction leads them towards a career in the design industry.

I would like to thank all the students who undertook in the various exciting Visual Communication Design outcomes this year and look forward to more creativity and ingenuity next year.

Matthew Wardell Head of Visual Communication Design

# HOUSE PORTRAIT COMPETITION

THE HOUSE PORTRAIT COMPETITION
THEME FOR 2021 WAS ISO-PORTRAIT,
A CHANCE TO APPROACH AND EXPRESS
REGARDING THE LONG LOCKDOWN AND
ACKNOWLEDGE THOSE WITH WHOM
WE SHARED IT.

This year, we had 11 noteworthy entries from across the Secondary School. Some artists approached their craft with reflection and intensity, some with humour and frivolity and some with affection for those in their bubble.

The overall winner took the latter of these approaches. Stefan Bandura (Year 7) impressed me and my fellow judge, Mat Steed (Head of Hancock) with his meticulous Bubble portrait with my cousins to win this accolade.

In a tight contest, a hearty congratulations to Nicholas Michele (Year 7) and Harrison Chapman (Year 12) for their intelligent and beautifully crafted entries.

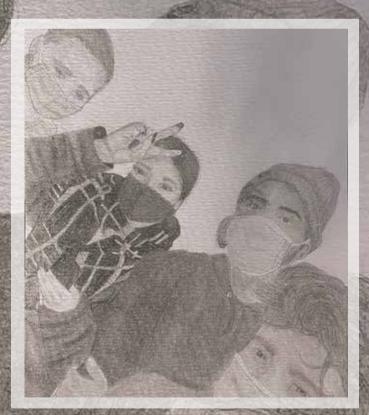

Special mention to Max Zhou (Year 7). Max may have missed the deadline for consideration of the House Portrait Prize; however, Max's portrait of his cat was a clear favourite in the People's Choice Award.

Well done to all artists.

Michael Hawkins Head of Art (Years 7-12)

Stefan Bandura

Nicholas Michele

Harrison Chapman

Max Zhou

# JAMES TSINDOS (2003 - 2021)

# A TRIBUTE FROM HIS FRIENDS

## JAMES WAS CHARISMATIC, CREATIVE, WARM-HEARTED, OPEN-MINDED, PASSIONATE AND MUCH MORE.

James had such a positive impact on so many people including our BGS community. It was easy to like him for his cheerful attitude, how he accepted everyone, never judging them, always caring for those around him, and putting others before himself.

James was one of the most loyal friends you could have - always keeping peoples spirits high, despite everyday struggles, inspiring joy and happiness, and was someone you could trust completely.

James was driven and passionate about his interests, which inspired him to persevere and excel to reach amazing levels.

In his senior years, he participated in musical and performing arts activities and subjects that he really enjoyed.

These allowed him to really shine and show his true abilities, as well as be himself at school.

Above all, James was known for his amazing musical abilities, specifically playing the piano. James would spend many hours practising at school and at home, often using other class periods to continue playing.

James had a mind that worked like no other, with an ability to memorise things quicker than most and the absolute tenacity to do things his own way. James initially learnt to play the piano without reading music, claiming it took too long.

To his music teacher's dismay, he refused to do so. James did eventually learn how to read music, but his incredible skills and memory made his abilities amazing to experience.

Despite this, James remained a humble person who was only just starting to attain the greatness he was destined to achieve. James was a truly beautiful individual, who remains in our hearts, and lives on in our memories.

## **MEMORIES**

One of my favourite memories about James that amazed me was his lack of ability to read music despite his astounding abilities as a musician.

I was amazed by the fact that he could learn and master some of the hardest songs in a matter of days.

I loved that he made my Further Maths 3/4 class so enjoyable and one I looked forward to.

I always admired the fact that he did what he enjoyed, no matter what, and chased his passions and dreams.

He radiated positivity and created a safe space where I felt comfortable enough to be my true self.

I looked forward to going to school because James made it a better and more enjoyable place for me.

I know I can speak for all who knew him that he could have changed the world if he wanted, and with his dreams of music, I believe he would have.

Knowing James was a privilege I would never give up.
