**TUESDAY 5 MAY**

## **RD 1 APS SPORT REPORTS**

### **5/6 Cross Country**

The APS cross country meet was a fantastic display of determination and effort, with all boys giving their best around the challenging 3km Haileybury Newlands course. Many boys pushed themselves to maintain strong pacing, resulting in several impressive personal records being broken. The support shown among team mates reflected a positive and encouraging team culture. We now look forward to travelling to CWH this week, where the boys will aim to continue their strong running form and represent the school well.

### **5A Volleyball**

The 5A volleyball team played Haileybury in Round 1 of APS. All games were close, with both teams winning a few sets. We were proud of our teamwork and sportsmanship throughout the matches. We will focus on improving our communication and continue working on our serving at training.

### **5B Volleyball**

The Year 5 volleyball team played their first games against Haileybury in Brighton. The boys had some very close games but unfortunately did not come away with any wins. The boys must be commended on their resilience and determination. We look forward to our second round next week.

### **6A Netball**

In Round 1 of 6A netball against St Kevin's the scores were BGS 20 to St Kevin's 12. It was a great match. St Kevin's performed some great intercepts and had 2 agile attackers that dodged around our defence but we were too strong in the final quarter. Some stand out performances came from James S in his debut game with some excellent defensive work and a few points in the goal shooter position. Another stand out player was Ray C with some excellent passes to shooters and was a very effective centre. All in all it was a brilliant game and with good spirit and sportsmanship from both sides.
