

TUESDAY 12 MAY

RD 2 APS SPORT REPORTS

5/6 Cross Country

Competing at Caulfield Grammar School - Wheelers Hill Campus, the boys embraced a much colder and more challenging day of conditions than the week prior, showing terrific resilience and determination throughout the APS Cross Country Meet. All boys approached the event with a positive mindset and a willingness to push themselves. It was fantastic to see a number of boys achieve new personal best performances, highlighting the hard work and consistency shown at training. Equally pleasing was the encouragement and support the boys displayed towards one another, creating a strong sense of team spirit across the day. We now look forward to hosting the next meet at Dendy Park this week and continuing to build on our strong running form.

6A Netball

The 6A Netball team played a very tough game on Wednesday against Xavier College. There were many highlights and we definitely improved from the previous week. It showed on the court as there were less turnovers this week. It was a very tight score of 16-17 Xavier's way. We had a few standouts today, Nathan with undoubtedly the most intercepts this week, and we would all like to appreciate Rory L for filling in our wing defence and attack roles and he played a major part in helping us this week. We hope we play well next week like we did today!

6A Volleyball

The 6A Volleyball team played Scotch away in Round 2 of APS. It was a closely contested match, with Scotch winning two sets and our team taking one. We were particularly proud of our setting, digging, and the sportsmanship shown throughout. Moving forward, we will focus on improving our communication and continue developing our underarm serving and teamwork at training.
